## 1 - Untitled

She's everything i ever wanted but she never wanted me. I would walk the earth for a day of her love, but that cant happen. The blade taunts me though i wont quit. I am the monkey in the middle playing against giants, and i will never get the ball. The tears on my face will never wash away, but life goes on. Once again i'm left...alone...to sweep up the empty splinters of my jigsaw heart.
