1 - Poem

By: Angel Crump

Another day, another fight

Another way, another restless night

No more truth, no more real

All is emotion, all is fear

I hear the upraised voices and I fall

Fall, fall into my drowning heart

I have no place to go

I have no one to know

I can't tell

I can't leave

My heart is breaking

Help me, help me please

I feel each word

Tears fall with every chord

They don't care

It isn't fair

No more yelling, no more pain

No more trying to remain

Just go

Go, go away

Just leave me to cry

Cry until my heart breaks

Cry until my soul aches

If I close my eyes I can fly

Fly away, fly away

I'll fly away into the sky

But when they open all is the same

More lies, more pain

Someone help me

Someone save me

No more tears

No more lies

I am an angel

And still I cry

Cry for the ones left behind

Cry for the ones who decide

To live, to die, to cry

I pray for them, I pray for me

I hope this is not my fate, this is not my destiny
