Chapter 1 - leave me lonely

2

1 - leave me lonely

I close my eyes, it is cold and black.
I am alone, you are nowhere near.
It is silent, and I am afraid.
Do not leave me, come back.
I beg you to stay by my side always.
You are gone now, and I am still here.
You will come back, I know, but when is uncertain.
What will I do without you?
Survive by a thread, until you come home.
And we are together again.
