"Innocence"

Your the reason why I can't sleep
Your the reason why when I open my
mouth, I don't even make a peep

Your the reason why I break down and cry
Your the reason I wish I would die

Your the reason why I'll never be the same
You said "But if you love me...."
Well I don't play that game

I can never look at you the same way
I don't care what you mean or what you say

I can't believe you did this to me
When I open my eyes I barely even see

You took away me innocence, but I said "no"
I couldn't believe that you would be so cold

So now it might be true, just maybe.....
That I might end up.....
Having your baby
