1 - Unconditional Wild

Unconditional Wild

Lead me to the unconditional wild,
bear me to the freedom of the Fea's fest
and let nature take me back as her child.

Take me to where all is beautifully mild,
to where the phoenix builds her radiant nest,
lead me to the unconditional wild.

Show me to where the dragon's hoard is piled,
safely snuggled beneath her gilded breast,
and let nature take me back as her child.

Bring me to where the brilliant stars are tiled,
set as jewels in Cronus's velvet vest,
lead me to the unconditional wild.

Whisk me away to where spirits are riled
by the affairs of the humans to the west.
Oh, let nature take me back as her child.

Guide me to where mortal souls are beguiled

into that peaceful everlasting rest.

Lead me to the unconditional wild,

and let nature take me back as her child.
