Chapter 1 - What if...

2

1 - What if...

What if...

If I called you names

If I spat in your face

Would you really still love me?

You say no matter happens you will never leave me

How can that be true.

I know if I say I hate you

You will pack your bags and leave

You'll say you hate me too.

I know you will turn away like the others

I thought I felt a difference in you but i wait to see if you leave

I know soon you will like teh rest ready to hurt me

Wait after all i say i will do you still stay

With spit hanging off your face

You still say I love you

With hurtful hates i sent your way

You still cling to me

You still love me

No it is a joke

You are lying

You kid

Your crying

Why because you truly love me?

I....I....I

I am sorry for doubting you

I am sorry for denying you.

Thank you for loving me

Cause I love you too.
