# 1 - Love Poem

Throughout my life I've been alone,

A sadistic soul, left only to roam.

I was a heartless bastard, love i would never find

Until that fateful day, that your heart bound with mine.

You make me reborn, my emotions swarm

The love you give to me makes my cold heart warm.

I promise to give you everything that is within my grasp

Any one who thinks of harming you gets a shotgun blast.

Your my everything, the darkness that makes me whole

for you i'd make a deal with Lucifer, and sell him my soul.

I'll be there when i marry you, and when we have our kids.

My love for you is eternal, and I'll be there til the end.

You've given me purpose, in this dark dismal world,

I know you feel the same, as you will always be my girl.

For you I'd die a thousand times, and bleed bloody sanguine,

I expressed my love for you, my dear sweet Celeen.
