## 1 - New Face

"Come on already let me go on a mission to find Sasuke" A blonde-haired boy screamed at the blondewomen sitting behind a desk in a bright office. "What harm could it do?"

" For the last time Naruto, No means no" The blonde said. " Naruto the Village needs you here."

" Tsunade come on. Its not my fault Sasuke betrayed us. Its Orochimarus so let me find him and kill him" Naruto said, thinking about the last runin he had with his former team mate, and shuddering.

" Jeez. Ok tell ya what. I'll find Kakashi or Iruka and next mission I can get you can have. And no complaning you hear me?" Tsunade said.

" Deal" Naruto said running out the door. Tsunade leaned back in her chair grinning. Man Naruto was not going to be happy with the mission he was going to get very soon.

' Just perfect...The Village is a mess, Sasuke is gone, and now I have to do this? Man I should retire early...then I can read Makeout Paradise all the time' (A/N Guess who)

Kakashi cam up to what looked like an abandoned building in the middle of the road. His mission was to find a girl that aperrently had no home. He had no idea what this girl was like. He walked around for a while and he found nothing. He decided to go into the building. As he stepped in he triped on a loose floorboard nearly falling flat on his face.

' Man This place might just collapse any minute. Wait is that... shoot'

A Shuriken came flying out of the shadows and missed him. Three more followed the first. Kakashi was not in the mood so he ran over to were the shuriken came from. He found a girl crouching on the floor. She had light brown hair (almost like cinnamon) and bright blue eyes. She was wering a blue jaket with a dark red shirt underneath, and what looked like blue jeans (do they even have blue jeans?) What suprised Kakashe was that this girl had a Hitai-Ate Leaf Headband. That ment that she was a ninja. A Genin by the look of it.

"Who are you?" The girl asked looking at Kakashi

"My name is Kakashi and I'm here to take you to the Village Hidden in the Leaves. Its a ninja mission. Whats your name?"

"My name is Rika. I don't want the Hidden Mist ninja to find me. They have been on my trail fo months. Will I be safe in this village?"

"You will be fine I sware on my manga. Now get your stuff and let's go. Oh are you a Genin?"

"No. I don't know what rank I am." Rika said. She gathered up her things. There really wasn't much and followed Kakashi out the door, tripping on the same floorboard Kakashi tripped on. Rika was taking the path to her new home or she hoped.

Naruto was waiting by the Ninja Academy. He was so mad. Tsunade had chided him on the mission he got. It was showing a new girl around the village. What a bummer! He would get his revenge as soon as his so called 'mission' was over. Suddenly Rock Lee came over to Naruto.

" Hey Naruto, Tsunade is looking for you. She has more info on your new mission"

" How the hell do you know that?" Naruto asked Lee as they walked to Tsunade's office.

" I know because I was just in there and she told me to find you" Lee replied. They reached Tsunade's office and Naruto went in.

" Naruto there you are" Tsunade said as Naruto walked in. Kakashi was in there too along with a girl. This girl had light brown hair and a headband. She was shaking real bad and Naruto didn't blame her. She was clearly new to the Village and in the state it was in now... well she was gonna have to make friends fast.

" Naruto this girl is new to our village. Your mission is..." Tsunade began but..

" I don't think you can call it a mission" Naruto snapped

" Your mission" She continued as if there had been no interruption. " Is to show her around the village. And she will become part of your and Sakura's team. Got it pal?"

Naruto stared at Tsunade as if she had hit him. Part of his team? That is basically saying Sasuke was never here. Naruto glared at his feet before agreeing.

" So what's your name?" Naruto said to the girl. " My Name is Naruto Uzumaki"

" M-My name is R-Rika" Rika stammered.

## 2 - Friends? Mabey not.

"Ok Rika. Let's go" Naruto said half heartedly. He walked out of the office with Rika right behind him. Naruto led her into the village were Rika was looking around in awe.

"This place is amazing" Rika said. She was staring at all the buildings, and was looking at the Great Stone Faces.

"Its nothing much" Naruto said walking lazaly. He had no care for the mission he got.

"Uh... Naruto were am I going to stay?"

"How am I supposed to know?"

"Jeez I was just asking" Rika said glaring at the teen. " Boy arn't you a crabass"

"Finally someone agrees with me" A voice said making them turn around.

"Sakura? What are you doing here?" Naruto asked as the pink-haired girl came running up.

"Well Tsunade was busy so I came to find you. Who is this?" Sakura said looking at Rika. " I've never seen her before."

"My name is Rika and I'm new here" Rika said.

"Oh. My name is Sakura. I see you mat Naruto already" Sakura said pointing at Naruto who just glared at a tree. The three of them continued walking, Rika and Sakura were becoming friends fast, and Naruto was just bored. Until...

"Suprise!"

"What the hell?" Naruto said ,as three kids came up and takled him to the ground. All Three of them had green goggles on there foreheads.

"KONOHAMARU! GET OFF ME!" Naruto screamed at the first kid who takled him.

"No"

"Brat"

"I'm gonna become Hokage. So deal with it" Konohamaru said giggling at Naruto's frustration. Rika and Sakura just stood there. Then both of them began to laugh.

"You've got three seconds to get of me or I'll throw you off a cliff" Naruto said grinning evily at the three

who ran off in an instant. Rika and Sakura were still laughing, well until a green blur came running past and stood right in front of Skaura.

"Hi Sakura"

"Oh great" Naruto said

"Naruto shut up. Hey Lee?" Sakura said, but Lee wasn't looking at Sakura, he was looking at Rika. Sakura and Naruto nearly fell over. Was Lee falling for Rika?

"My name is Rock Lee. Your Beautiful" He said blowing a kiss at Rika who fell backwards to avoid it. She got up rubbing the back of her head, ready to kill Lee but his team mates had shown up and were talking to him.

"Hey Sakura can I kill him?" Rika asked, pulling out two knives.

"Don't worry he did that to me, Remember Naruto?"

"Oh yea. But he blew a lot more kisses at you, and you flipped out" Naruto said laughing. Lee and his team mates came up at that point. One of them was a girl who looked kind and the other one was kinda creepy.

"Hey. Sorry about Lee he's a bone head" The girl said. " My name is Tenten and this is Neji" she said pointing at her teammate.

"Nice to meet you" Rika said to Neji and Tenten before rounding on Lee " Don't do that! Jeez" Lee's team walked off and Sakura had to go too so it was just Rika alone with Naruto. They walked over to the academy where there were three more people

"Hey Kiba" Naruto shouted.

"Hey Naruto. See you've got a girlfriend" Kiba said laughing. Rika went red in the face and Naruto grabbed a stick. He began to chase Kiba shouting at him. Rika walked over to the others.

"Uh..Hi my name is Rika" Rika said nervously. A girl looked at her and smiled

"Hi. My name is Hinata, this is Shino and the one Naruto is chasing is Kiba. Oh and this is Akamaru" Hinata said pointing at her teammates and the puppy sitting where Kiba used to be standing.

"Your new to the village right?" Shino said

"Yes" Rika said petting Akamaru " I love animals. Hey Kiba, I think Akamaru is cute"

"Thanks." Kiba said tripping Naruto. " Well Hinata looks like you've got a rival in love" Rika and Hinata went bright red

"You know Kiba when you say that it reminds me of Sakura and Ino always killing each other over

Sasuke"

"Did someone call me?" A blonde girl said walking up

"No we were talking about how you and Sakura would have fights over your lover Sasuke" Kiba said. Rika was helping Naruto up. She took the stickhe dropped and whaked Kiba in the back of the head, leaving a very large lump.

"Thats what you get" Rika said when Kiba looked at her in shock.

"Oh are you new? My name is Ino. These are my teammates Shikamaru and Choji" Ino said waving at her teammates.

"Ok Hi everyone now will someone tell me who is Sasuke?" Rika said. At this everyione looked away from Rika.

"D-Did I say something wrong?" Rika said confused and a little hurt.

"No It's just..." Ino began

"Naruto had better tell you the whole story" Shino said. Rika looked at Naruto. What had she done?
