Chapter 1 - Friends

1 - Friends

Friends,
Friends are always there for you,
they will never leave your side
They'll be there till the very end.
The ones you care about the most,
are the ones you won't forget.
They're the friends you look for.
They're the friends you'll want back.
And you'll say I should have been there for them.
Because they were always there for you.
And when they need you the most.
they'll look back and remember you.
