# 1 - These I Have Loved

## These I Have Loved

I love the way the wings of a dove beat against the air while it soars to a tree; How a horse's hooves sound beating on a gravel road while he gallops home; Or the wonderful fragrance the earth gets after a down pour; The sight when you look up into the sky and see the clouds open up and let the raindrops fall; The way a cat looks after he's caught a mouse scampering about; Or the way Riley looks at you with huge brown eyes trying to figure out what's going on; The way you feel when you accomplish something great; The song the wolves sing when they are looking for their next meal; How you walk out into the chill of winter and see the snow sparkling like thousands of tiny diamonds; But most of all how Jesus so graciously gave His life for me; These are all the things I love.
