*This is a piece I did 2 years ago in yr 5. It's a bit long, and a bit depressing, but i think it was alright for 11.*

**Chapter 1 - All she ever wated**

**2**

# 1 - All she ever wanted

All she ever wanted

All she ever wanted was freedom  
To fly on high  
With wings of silver  
And a soul of gold

All she ever wanted was love  
To love someone  
And have them love her back  
An eternity together

All she ever wanted was light  
To hide from the darkness  
And the jumping shadows  
From an endless tunnel of doom and death

All she ever wanted was life  
To live her own will  
To wonder in fields of colour  
Living each day

All she ever wanted was earth  
To know she was somewhere and someone  
Not nowhere and no one  
To have a solid place called home

All she ever wanted was friends  
People to talk to  
A shoulder to cry on  
Someone to trust

All she ever wanted was the truth  
To know what happened  
To know no lies  
To make a celestial realm

All she ever wanted was us  
Beings around her  
No violence just calm  
Just happiness

All she ever wanted was a future  
To leave the past behind  
For it to disappear and not to matter  
To start afresh

All she ever wanted was to fly on wings  
Flying through the clouds  
Like a bird in the sky  
Carefree

All she ever wanted was happiness  
A smile on her face  
A twinkle in her eyes  
To laugh again

All she ever wanted was always  
Always loved  
Always living  
Always someone

All she ever wanted was here  
A life  
A love  
A soul

All she ever wanted was a place  
A place among us  
A place of her own in the world  
Where she was always safe and sound

All she ever wanted was gone  
Lost forever  
In the dark  
In the depths  
Without a trace  
Without a gift  
Leaving her alone  
Leaving her  
Alone  
Alone
