This was written for one of my good friends whom was having a hard time at one point, it was a poem proving to her that she doesn't have to be what others want if she doesn't want to be.

3 - Chapter.

To those of us

To those of us who fear...

That we may do wrong,
Stand tall, and proud, and strong,
For you do no wrong.

To those of us whom are us...

You are the ones whom do no wrong,
For throughout your life you are you,
And no wrong comes from that.

To those of us who hurt...

Never think someone caused you pain,
Never believe you caused the pain,
For all in all, pain is a trial of the heart.

To those of us who don't hear the heart...

Fear not it comes with time,
That trial of your heart,
And then you to can hear your heart.

To those of us...

Whom say what we do not mean,
Whom fear what should not be feared,
Whom are not ourselves,
Whom cause the pain and,
Whom hear the heart but do not listen,
Forgive, and be forgiven.

To those of us who are listening...

Forgive, forget, and live as though,
There is no tomorrow.
