Time Never Dies

It is said that through time,
All gets lost.
That throughout time,
No one can remember,
Friend from foe.
And that all who hated one another,
Are friends arm in arm.
That the love you felt is lost,
And you will feel alone.
Yet this is not all truth,
Or least does it seem to me.
For those who followed,
Ones they trusted,
Seem to remember all.
Throughout time,
They say all is lost.
But this is not truth.
For I remember all.
How I "lead" my friends,
Who like me, and who I liked back.
The deep passion I felt for things,
And who my friends,
And who my foes were.
Throughout time,
They say all is lost.
But that cannot be truth,
For they wouldn't know then would they?
Well, no matter, I still remember,
And that means that in life,
Time never dies in you heart.
Throughout time,
They say al is lost.
But that is not truth,
For time cannot die,
Some wounds cannot heal,
And some people never forget.
