Farewell

Life is all to real.
We act as though everyday,
We will live on forever,
That we could never die,
But, life proves this to be wrong.
I've learned a lesson.
We're not here forever.
We are merely here for a moment.
We are a mark on a part of time,
And in the end we will be gone.
My lesson was a simple one,
That all good things must come to an end.
Farewell.
Farewell my dear teacher,
You taught me more then anyone,
You proved to me that I was great.
So farewell.
I know that you travel,
Travel high above us all.
I know you will guide me,
Like you had only a year ago.
Farewell.
Farewell my dear teacher,
You changed my life,
And many others too.
You are forever in out hearts.
Farewell.
