**Chapter 1 - One wish**

# 1 - One wish

## One Wish!

If I could have just one wish,  
I would wish to wake up everyday  
to the warmth of your arms around me  
to the sound of your breath on my neck  
the touch of your hands on my skin  
and to hear your heart beating with mine...  
Knowing that I might never find that feeling  
with anyone else but you.
