~ Katelynn's Dream~

4 years ago a 8 year old Katelynn was on her way back to the Uchiha compound to play with sasuke, but when she got there there was nothin left and when she looked long and hard for sasuke and didn't find him she cried and cried than after thinking he was dead she left to go back to her village the shadow heart village to live with her family, but at age 10 her family was murdered by her brother Tamaki...and toughs created the shadow heart massacre. But for some reason she doesn't know was that her brother spared her life but only scared her with his kentana. Than after she thought it was safe she ran and never looked back.

all the while thinking "why...huh why did u kill them Tamaki".

~end dream~

And with that she screamed and shot up from her bed sweating and shaking... wondering why that dream came back to hunt her, than she laid back down and went back to sleep with that memorie lingering in her mind.

And in the house next door some one was having a similar dream...

~Sasuke's Dream~

4 years ago an 8 year old sasuke was walking home form the ninja academy happy because his best friend Katelynn was coming back to play with him. but when he got back to the village all he could see was smoke and only smell blood in the air and when the smoke cleared all he could see were dead body's, so he ran as fast as he could to his house and looked every where for his parents and his brother.. than he checked the last room and there on the floor were his mother and father and his brother Itachi standing over them...

~end dream~

Sasuke woke and started to scream because he was scared.... but after shaking off the dream he went back to sleep for tomorrow he would meet his new teammate.

as soon as the song ends, you get out to get dressed, you start by putting on you black cargo pants and than your shirt, with your clans symbol on it, you get on your black sandels, and put your sholder lanch hair up into a poney tail, than you grab your Twin Katana and starp them to your back, than you put on your right leg your wepons poutch which constist of 10 Kunie, 20 Sheriken, and miny smoke bombs, you tie your clans Head protector around your right arm, and the Hidden Leaf village head protector around your forehead. \*you grab your keys, after you turn of the music, and lock your door and head to your meeting spot you were told to go too. As you get there you see three kids about your age, one on the left, with blond spikey hair, and a rediculus looking orange jumpsuit, a girl in the middel with sholder lanch pink hair and a fighting kinda dress, kimono thingey, and a boy on the right, who had black spikey hair, and looked really familler to you, but after your accident with your brother when you were 8 you had lost some of your memorie. as you approche you see the pink haired girl hit the blond haired boy on the head and you hear him yell "ow, sakura that hurt!" than you hear the girl who was calld Sakura yell back at the blod "well if you would stop thinking about your stoumich, than maby you would be able to listen to what Sasuke was saying!?" than the boy you asumed to be saskue , who still looked fimallier to you, said yo the blond "Damit, Naruto your shuch a Baka" as you stand there and watch them argue you failed to notice that a white haired guy sneak up to you and scares the shoot outta you, after you recover frome

you minor heart attack you look at him and galred that you yelld "what the f\*\*\* was that for? you trying to give me a heart attack??" after you said this the white haird guy grabs your hand and lead you over to the other three kids your age you try to pull your hand free thinking that this perv was gonna do something to you so you start to throw a fit and hit him in the groin, as he falls to the ground you break your hand free and jump back 20 meters away frome them.

As the white haird guy recovers he slowly comes tword you \*so you pull out your twin Katanas and form them into an X over your body\* "stay away frome me you perv" you yell after you said that \*everyone does and anime sweat drop\* and than the blond boy you asume to be Naruto burst out laughing "hahaha, Kakashi-sensi got calld a perv" Naruto said after that the whit haird pirson you assume to be Kakashi-sensi says "its ok we wont hurt you, i just want to introduce you to your team" 'wha.... how do i know your telling the truth?" you say whil getting into an attack position with your katanas. "because i would never hurt a girl as pretty as you!" '*...man that sounded so wrong*'you think, "fine" you say as \*you put away your katanas\* "so you gonna introduce me or what, you perv?" you say. "vary well, the annoying blond kid on the left is Uzimake Naruto." he says "hey" naruto said "moving on, the girl in the middel is Haruno Sakura," "Hi" she said "and the boy on the right is Uchiha Sasuke" as soon as he said sasukes last name you imediatly know why he seams so familer to you "hn" sasuke said, not looking too happy and looking at your eyes probly trying to read you. '*OMG, i thought he was dead, i wont tell him just yet, i want to see if he remembers me*' after their introduction, you intro duce your self, "my name is Wendell Katelynn, and im frome a small village call the Shadow Heart village, i like dark things, and hate my brother and anything "**light**" related, ohh and i hate people that annoy me so much that i would probley kill them if they push it "thats all about me so lets get going i wanna do my first mission now!" after that note you all leave the village to go on your first misson sacence you left your village!!

## 4 - mission, d ranks, babysiting, and what the fuck...?

as they make their way to the village gate you see 2 kids, who you assume to be the ones you have to escort. "hi!!!" says the small red haired girl as you walk up to them. "my names Koko, whats yours?" "my names Katelynn, and who's that little dude next to you?" you ask. " ohhh this is my brother Tonto, say hi Tonto" Koko says to her brother. "h..hi" Tonto says nervously. as the others walk up you introduce them to Tonto and Koko "Tanto, Koko id like you to meet my team. Naruto is the blond one, Sakura is the pink one, and Sasuke is the raven haired one" you say as you introduce them "hi" they all say to Tonto and Koko, "and the man with the wight hair is Kakashi-sensai, \*whispers to the two\* but i call him perv" Tonto and Koko both giggle at that comment. "well now that were all here i say we get moving to... \*sweat drops\* uhhh... were we going again?" u ask nervously....:didnt any one fill you in on the mission?" sasuke ask me, "ya...but i forgot...hehe" i say nervously not wanting to upset my "best friend"
