Chapter 1 - Little Angel

2

1 - Little Angel

Little Angel, with wings so pretty
Little Angel, such a pity

Little Angel, with such drive
Little Angel, you continue to strive

Little Angel, deep in sorrow
Little Angel, it'll be better tomorrow

Little Angel, with such fury
Little Angel, they will worry

Little Angel, with bloodied hands
Little Angel, you curse the lands

Little Angel, with eyes so blue
Little Angel, she misses you too

Little Angel, starting to fade
Little Angel, orders not obeyed

Little Angel, where is your friend?
Little Angel, they will meet their end

Little Angel, oh so cruel
Little Angel, take their fuel

Little Angel, trying to change
Little Angel, you are so strange

Little Angel, you must stop
Little Angel, you're finally on top

Little Angel, they fear you
Little Angel, not a clue

Little Angel, so very wrong
Little Angel, you must be strong

Little Angel, becoming a doll
Little Angel, you're beginning to fall

Little Angel, starting to die
Little Angel, can no longer fly

Little Angel, is it true?
Little Angel, did she really want you to?

Little Angel, you're in thier mind
Little Angel, being so kind

Little Angel, you must destroy him
Little Angel, out on a limb

Little Angel, the struck you down
Little Angel, on the ground

Little Angel, you are dead
Little Angel, no more dread

Little Angel, with your love
Little Angel, like a dove

Little Angel, did you have to go?
Little Angel, robes as white as snow

Little Angel, brought life to the tree
Little Angel, you are free....
