This is a poem I helped my friend create. She told me how she felt and I wrote poems until she picked her favorite one. Well her boyfriend was moving away so...yeah. Just read.

Chapter 1 - Goodbye

1 - Goodbye

Look, I don't want to ever say goodbye,

But you're leaving me to go so far away.

I wish you didn't have to go...

Why do you even have to leave?

Well, that's your own business,

Sorry for getting a little nosy.

I just don't want you to leave me behind.

I want you to stay with me,

But it's not pointing in that direction.

So, before you're gone completely,

I wanted to tell you,

That I love you so much

And I won't ever stop loving you.

Not ever.
