Chapter 1 - Love Now and Forever

1 - Love Now and Forever

How many times are we going to go through this?

Being clouded with darkness cause no one is there.

Being blinded by tears cause you got your heart broken.

I don't plan on being hurt anymore,

But no matter how bad I am is hurting,

I can't stop thinking about you...about us.

About all our memories that we have together,

The memories that I hold so dear to me.

Keeping them all locked in my heart...

A place where I can't lose them,

But I want to lose them!

Cause I'm tired of all this pain and suffering.

I want to move on with my life!

But as long as I love you I can't do that.

I do love you...more than you know.

And I want you to know that...

Now and forever.
