Chapter 1 - Still in love

2

1 - Still in love

Still I continue to love you so much,

But how can I tell you that?

I'm sure you already have someone else

And I can't intrude on that,

But I still keep thinking about you.

Everyday I always contemplate,

What if you loved me back?

Could we ever get back together?

Would you turn me down?

If you said no could we still be friends?

Can I even tell you...

...how I still feel?
