CAR ACCIDENT POEM. (I'm marking these cause I have four more.) This is the second one I wrote and this one shows slight anger.

Chapter 1 - I'll Love You Forever

1 - I'll Love You Forever

Why do things like this have to happen?

I just hate it so bad!

I want things to go back to the way it was,

Before the accident.

Without any of the fear or any solitude.

With no tears.

The only tears I want is from happiness,

Knowing you're alright.

If only I could pull back time and save you,

But I'm not magical.

I guess people just happen to be at the wrong place,

At the wrong time.

But why in the world did it have to be you?

This just isn't fair!

Well, where ever you are I hope you can hear me.

So you always know,

That I'm always here for you and that I'm praying.
