CAR ACCIDENT POEM. This is the fifth one I wrote and it's the last. It's basically about it all ending and me not being scared.

1 - Not So Scared Now

I should be leaving soon.

I just can't wait to see you!

It's been far to long.

I mean everything that has happened lately,

Made everyday go by so slow.

I felt that I was stuck in time!

Just sitting there all isolated.

Well, without you I felt alone.

Nothing did seem right after...

Well you know.

I felt I was slipping into the darkness!

I really needed for someone to save me.

To bring me back into that certain light.

That certain light that you always gave me.

I don't have to worry about any of that now.

Because after all that time I spent alone,

I'll get to see your face again.

I was so afraid for these past days,

But if only for today I am unafraid.
