This is for you PyroDragon (mxgdman)! But yeah...it's about like a friend copying everything you do and...just read.

Chapter 1 - Pretending

1 - Pretending

You know what I can't stand?

When someone you know,

Say a friend of yours,

Copies every little thing about you.

Your outfit, how you act...

Everything!

Then you have to wonder,

If they're just trying to take your place?

Taking your friends and leaving you behind.

Which makes me think...

Do they really like you at all?

Because to me it seems like

They are just pretending to be your friend.

So would you call them your friend...

Or your enemy?
