<b>Chapter 1 - Because of You</b>	<b>2</b>
<b>Chapter 2 - In the shadow of the rain</b>	<b>3</b>

# 1 - Because of You

Because of you

I watched you walk away.  
My tears cannot spill from that day  
and my heart stays in a daze .

your wounds seem to stay  
and the fear keeps me here for another day  
so you smile at my pain

am i just a toy?  
or do i offer you something more?  
does this broken heart please sarkend core?

No matter what pain that you bring  
my Heart will always stay with you by the promise of this ring  
that holds me in ur grasps

No matter what you do  
I'll always love you  
even as i fade away because of this pain

Now im bounded  
by the very scarrs  
that i lay here because of you.

## 2 - In the shadow of the rain

i sit,  
in the shadow of the rain.  
Where my tears,  
fall to no end.

I search,  
for a way out.  
Where my happiness,  
may return to me.

I try,  
to stand taller.  
but the pain,  
shoves me to the ground.

I cry,  
as the pain embraces me  
for it truly,  
wants to comfort me but can't.

I scream,  
as agony digs its claws into my chest.  
ready to rip,  
my heart out and hold it in its hands

I can't,  
hold on anymore.  
Someone,  
Grab my hand and drag me back to the light.

or agree,  
with me that i am better off alone.  
TO die here,  
In the shadow of the rain.
