Opening the door, Josh glanced around the dull office and noticed his associates already had arrived. *Great*, he complained in his head, *just great*. Josh made his way over to his desk and started thumbing through some new files tossed there. [br]

"Good Morning Josh" smiled Veronica as she handed him a folder. "This case was brought to my attention yesterday after you left." [br]

"Thanks Vee, has anyone else looked into it yet?" Josh replied looking over the case files[br]

" Me and Kiji-"[br]

"Kiji and I"[br]

"...Kiji and I were hoping to go check the place out this afternoon" [br]

" You can check it out later. I want the whole team on this case.. the place is too big for a small group to investagate."[br]

"Alright" [br]

"Have Jake,Sarah,Andorea, And Cody load the equipment into the van. You, Kiji, and I will go meet the clients"[br]

"Yes sir!" and with that Veronica ran off to go tell everyone the plan. [br]

~~~~~(With Jake, Sarah, Andorea, and Cody)~~~~~[br]

" It's cool we get to go as a team to investegate this place " Andorea stated as she set a monitor into the van [br]

" I heard it's saposed to be really dangerous, that the spirits there actually kill off people" Cody said setting down a box of cameras[br]

" That's so cool! I can't wait to get there! " Sarah pratically screeched out of excitment [br]

" I think you broke my ear drum Sarah" Jake muttered as they finished loading the equipment into the van. [br]

"Sorry, so who's driving the van?" Sarah asked out of curiosity [br]

" ME!" they all yelled but sarah and made a mad dash inside to get the car keys"[br]

" Oh Vey!" she sighed and leaned against the back of the van, " something tells me this is not gonna be a normal case"..[br]
