## 1 - Untitled

What do you do when someone hurts you?  
Do you suffer in silence? Keep it inside where it festers and burns?  
Or do you hurt in the open? Show your pain, hurt, and then move on and be happy?  
Do you cry?  
Do you yell?  
Do you hold a grudge until the only thing you remember is your hate?

Have you survived a Broken Heart?  
Or has it killed you and your body just hasn't realized it yet?
