1 - I Walk

Untitled

I walk
My heart pounding
I feel it in my ears;
the pounding taking me over.
I run.

The beat echoes through the shadows.
Darkness grows thicker as I am dragged down
following you deeper into despair, losing my will.
My heart is racing in fear,
fear of myself and what I am becoming.
My arms pull you closer.

I let you shield my eyes,
Your hands cover my ears,
I don't fight back.
The mist surrounds me...

My eyes snap open,
I push myself up, you loose your grip.
A bridge appears in the distance,
I run.

I step onto the rotting planks
I must keep my head held high
I won't be broken,
I can't.
Your weight pushes me down
It's too late to escape.
My foot loses it's hold
I plunge into the black abyss.

I hit the ground.
my body curls into a ball.
I see you in the distance
Reaching out your hand
I turn away;
ashamed of what I've become.
The ground beneath me gives in;
I fall again into shadow.

Hear nothing, see nothing, lost.
Everything is hidden.
I fight to stay above water
You push me down, deeper.
Water surrounds me,
I can't fight back.
My head slips-under.

Water forces its way into my body
air runs thin
I try to breath, liquid fills my lungs
I kick, but it is no use
Slowly I slip away,
You watch me scream.

A smile spreads across your face
You have won.

2 - Again

Again

You finally did it,
You've pushed me to the edge,
Drained me of everything,
I am and everything I was,
And I only have,
One question for you,
Are you happy again?

3 - The Lady Vanishes

The Lady Vanishes

she's screaming in the distance
i can hear her so clearly
but when i run to her aid i'm held back
by her own wanting to suffer...

4 - Lost

Lost

Running in silence
But screaming to make a sound
Tears streaming down her face
And landing on the ground
She comes of to a crossroad,
On a mountain looking down

Should she do it?
Should she jump?
Should she throw it all away?
No one listens
She needs love now
She doesn't care about today

She needs help

She tried to gain attention
But no one ever came
She didn't really understand
Why things weren't the same
Always telling her
Things were wrong
The way she heard her name

She didn't notice
Didn't realize
All the ones who really knew
So she missed it
And it's gone now
And what they thought was true

She wanted to be someone else
