want to sit with me and my band buds for lunch." I looked at Oktober and Sailor they looked back at me "Aw go ahead we will be fine." said Oktober errr i can't believe she did that i mean seirously

"Thanks..." i said thorugh my teeth as i was following him to the table i asked" Heyy i never did catch your name" finally wondering what the mystery 'band boy's ' name was

" My name is Carter..." he said

" Really? i like that name it reminds me of guitarist." i said jokingly

"i wonder who." he said he didn't sound very impressed which led me to believe he wasn't the kidding around kind of guy so i stopped

" Hi " i said to three boys who looked completely pale . i picture the boys in his band a lot like him cute...

" Heyy the names Hunter and this is Darren and Audio." i looked at Audio he didn't look up or anything

" so what do all of ya play?" i asked trying to impress the band i was hoping i could get into

" I play bass" said Hunter

"I play Keyboard." said Darren no word from Audio

"What do you play Audio?" i asked

" Don't mind him he is just being a jerk today oh wait thats his usual self." said Hunter

"Heyy guys."

"Heyy." they Oktober and Sailor said

" Oktober i want you to meet someone because i think they need a girlfriend and someone who can really talk to them to cheer them up." i said in a convincing voice

" who?" she asked with a confused tone

" Audio a guy in the band." i said

"Surre watever." she replied when she met Audio it was like she couldn't take her eyes off of him. I was so happy finally i had found the perfect match for my lonely, color dyeing, private school going best friend.

"Heyy Audio i want you to meet someone, her name is Oktober." all the sudden he looked up and said
