Prolouge

Hi! I'm Holli Frezitakanowsii (fren-zi-take-a-now-sea) I'm 8 years old and I live in San Diego, CA. I got my name by "Holy Grail" and all you have to do is put in an "l" take out the "y" and replace it with an "i" and you have Holli! If I had a piece of advice to the world it'd be...life is a vace, don't break it. My favorite subject is Social Studies because it's neat learning about your past. My favorite food is pineapple because it's all juicy and well, good. My least favorite subject is science all because we disected an eyeball! My least favorite food is green peppers because the juice tastes kinda like pickles! If you wanna know more about me... I have no clue what to tell you. I have a great, really, really, very, great, awesome, cool, scary, happy, sad, adventurous, very, very, very, cool story to tell you so let's keep reading for the great, really, really, very, great, awesome, cool, scary, happy, sad, adventurous, very, very,very, cool story to learn more about the great, really, really-oh forget it just move on!
