This is just a little something I thought of. What if Clay Aiken really adopted a young asian girl?

1 - You Are

::: You Are:::

As I sit here.

Looking at all of the fans.

Coming to me, asking me for my autograph.

As I look down at the paper,

Staring at my picture.

Thoughts of you are in my head.

I smile as the young woman tells me that she "loves" me.

If I told her that "I loved her too" I would be lying.

Because you are my only girl.

You are my little girl.

You are the apple of my eye.

You are my baby girl.

You are my only one.

You are my one and only.

You are my daughter.
