Chapter 1 - Rosemary

2

1 - Rosemary

Me and my wife Rosemary
always in our beautiful house by the sparkling sea
where we lay on the beach
beautiful rosemary and me

the angels they were jealous
of Rosemary's and my love
we made an oath to stay together
and death wouldn't be a wall

but the angels took her away
for they were jealous of our love
and they chilled her body to below zero
on the beach shinning against the sun

for she died and I was left alone
never keeping our oath of love
but I visited her grave everyday
and imagined giving her a hug

days past by
and I got old
so I visited her grave one more time
and lay down next to dear Rosemary...with her eyes looking like gold.
