Chapter 1 - razorblade

1 - razorblade

forget you
forget me
this whole life's a tragedy
kill 'em all
kill 'em all
thrown into my own pitfall
razorblade, razorblade
crimson red to shades of grey
filled with blood
scarlet blood
through my veins like a flood
cut my wrists, cut my wrists
blood flows out onto my fist
shove a knife in my back
watch my world go into black
cut my tongue
cut my tongue
muted silence watch me hung
by a hook in my neck
fall into a living heck
why do I even try
to spread my wings when I can't fly
so the message plain and clear
live my life a web of fear
like a ringing in my ear
bleed to death
for fear of fear
