**Chapter 1 - New Enemy**

**2**

## 1 - New Enemy

The wind blew furiously as I stood on top of a tree in the Forest of Death. It was old, and worn down. Now, anybody could come and go as they pleased. There were not as many dangers. I heard rustling behind me. I paid no attention to it; I kept my arms crossed and my gourd on my back. Yes, I am from the Village Hidden In the Sand. I heard more noise. I turned around, to find an odd boy with a bowl-shaped hair cut standing before me. "My name is Rock Lee, and I wish to challenge you... Daimon of the Sand!"

I stood there, wind blowing our hair. "Do you accept?" asked Lee. I charged at him, Kunai in hand. He dodged me. "I take that as a 'yes'." he said as he panted from dodging my Kunai. I flung the Kunai in his direction. Lee let out a yelp of pain as it scratched his arm. 'I'm not fast enough...' Lee thought. 'I'll have to do it...'

He took off warmers from his legs, revealing weights. He dropped them on the ground, making a large crater. I still made no movement. He hopped off the rock, and started moving very fast. I made a look of shock. He started to punch in my direction. However, I felt no pain. The sand from my gourd poured out, and blocked all of his attacks.

'She fights like...' Lee thought to himself. 'GAARA!'
