**Chapter 1 - Contained**

**2**

# 1 - Contained

Time always just seems to pass us by  
Life is both a blessing and a curse  
I doubt we will ever know why  
Looking back, things could have been worse.

-----  
Time does not wait for anyone  
To see beyond really takes some wits  
The truths I believe are close to none  
I'll never understand until it hits.

-----  
Seeing it all happen this way  
I have got nothing but sorrow  
I hope that I'll be able to stay  
Live past today, and still see tomorrow.

-----  
This is a Quatrain poem, which means that each section has to be four lines, and the first and third, second and fourth lines have to rhyme. For this poem I used 8 to 10 syllables in each line, and it's a lot harder to do than it sounds. I'm surprised this only took me about 10 minutes to do. Oh, by the way I was working on Kiako High School chapter 6, and I got about a page and a half done, but I realized that I haven't even thought out that chapter yet and I was just kinda writing down random crap, so I'll get back to that once I have a better idea. I'm probably just gonna write some more poems as they come to mind, and I apologize if you don't understand the poem or it doesn't make sense, but hey, a lot of famous poets had poems that made no sense....anyway...yeah, guess I'm back now..^^
