1 - The party

Kira walked up the doorstep of Sakuras house. She wore a pink dress with a red ribbon in her brown hair I wonder if Neji will be here? She said blushing slightly but looked up when the door opened Hey Kira Ino said happily turning and announcing her. Kira walked in slowly but noticed Sakura and held up something so she walked over Hi Kira whats that? Sakura asked looking at the box Kira just smiled its a surprise we can opening it later she said putting it down by the door. As she looked up she noticed a bunch of people hanging around and laughing so she turned back to Sakura Is Neji coming? she asked her looking around but not seeing him hm? Neji? I think so, maybe you should ask Hinata, she said as she walked over to Ino and begin talking about meaningless things. Kira walked over to Hinata Hi Hinata she said with a smile oh hey Kira, your looking for Neji right? Kira looked wide-eyed at the girl y-yeah, how d you know? she asked her. Hinata smirked word can travel fast at partys she said with a smile anyway he s somewhere around here she said turning back around and chatting again **no one here is very helpful** Kira thought turning around. She searched threw the entire house until she came to the balcony. The doors were wide open and the warm air came in making the curtains move like ghosts in the pale moonlight. Kira looked closer when she saw a figure and walked out on to the balcony. Neji? she asked as the figure turned and looked at her with pale white eyes. He wore a towel covering his hair and the curse mark. She sighed ive been looking for you every were, why are you up here? she asked walking over to the balcony and looked up then at him Lee barfed on me, He found the alcohol again Neji said so I took a shower he turned and looked up **wow he looks so cool...** Kira thought turning around and blushing well are you coming? he asked. Kira turned and looked at him for a moment Y-yeah im coming she said as she ran to catch up with him. Neji walked down stairs and eyes lee who was now passed out on the floor the party s only begun and hes out already he said turning and looking at Hinata and Naruto he didn t bother with knocking him out this time. Sakura turned her head and winks all the girls looked up and walked into the kitchen alright, things are going as plan she said stopping as Sasuke came in You guys are trying to hook Neji and Kira up, right? Well it should work because Neji likes Kira as well, he said turning and leaving the room. Hey Sakura Sofy said let me take over from here she said with a wink Sakura nodded and walked out of the room. Sofy out of no wear pulled out a blue print and the girls gathered around. A few minutes later they all walked out of the room and went on with their things. Sofy walked over to Kira. Hey Kira she said, Kira turned and looked at her with a smile hey Sofy she said to her How s it been? Sofy asked her Good, Sofy, can I talk to you? Kira asked her Sofy nodded and they walked into the kitchen well Kira turned her head you know I like Neji&don t you? Sofy nodded and you know I like Sasuke she said with a smile, Kira smiled back at her I was thinking since sasuke and you seem to like each other so much maybe we could go on a double date to the festival Kira said turning and getting a glass from the cupboard then filling it with water. Sofy smiled sure, that will give us both a chance to spend sometime with the guys she said waving and walking out of the kitchen, the night went on as planed Kira spent the rest of the night with the girls up in Sakuras Room. Kira sat on the bed with Hinata Ino Sofy and Tenten Sakura came in with some drinks alright girls now we can get the real party started she smirked and leapt up onto the bed making them all squeal. Kira smiled and walked over to Sakuras TV I brought this she said as she pulled out the present from behind her back Kira smiled and opened the gift. Then held it up the girls all gasped in amazement that movie isn t even out in the theaters yet h-how did you get it!? Tenten exclaimed almost jumping of the bed. Kira smiled that doesn t matter I haven t seen the movie yet so I brought it here to watch tonight she said turning and putting the tape into the VCR. The screen became bright with colors

and she walked back over to Sakuras bed. By the end of them movie the girls had laughed so hard there stomachs hurt. Kira walked down stairs and noticed Neji was just about to leave. Sofy came running down a swell and slid across the floor bumping into a wall but scrambling back up and ran to try and catch up to Sasuke Sasuke wanna go to the festival tomorrow? she asked him and he smiled sure he said as he left the house and waved good by. Kira walked over to Neji Neji, I was wondering if you would like to come with me Sofy and Sasuke to the festival tomorrow she said Neji looked at her for a moment sure just tell me what time we should be there he said bearing a slight smile. Kira smiled wider than she ever had before lets say around 10 o'clock she said as she turned and ran back up stairs but stopped halfway up hearing Neji say something *w-what did he just say?* She thought turning her head but he was already gone. Sofy turned and shut the door and walked up the stairs then sat down beside her what's up? she asked looking at Kira I thought&. Never mind it was just my imagination she said smiling come on, lets go Kira said as she tapped her on the shoulder turned and bolted up the stairs Sofy followed equally fast. That night Kira lay on the ground unable to go to sleep. She sighed and got up then walked out the balcony *what I thought he said, did he really say it?* She thought looking up at the bright moon. Kira turned and walked back in and lay back down forcing herself to go to sleep and pushing the thought out of her mind. The next morning she woke up and got dressed. Then tied her hair up in a blue ribbon. Kira walked downstairs and saw the boys were already there. Sofy walked out from the kitchen and smiled I made bacon and eggs she said smiling. Neji, Sasuke and Kira walked over after the food was put on the table, sat down and began eating once Sofy has also sat down. Kira's thoughts couldn't shake the thing that was bugging her, every time she looked at Neji she would look away and blush. Once Breakfast was done they all set off for the festival.
