# 1 - Lyrics

"Every single day,  
I wanna tell you how I feel.  
But I never get passed the butterflies,  
And I don't know if I can deal."

Are you really into me?  
'Cause I know I'm into you.  
And I don't wanna take another step,  
Until you say you feel it too."

"And it looks like the rain,  
But that's alright with me.  
I'm standin' here,  
Just lookin for a chance to make you see.  
And sometimes,  
A little rain is all you need,  
So let it come,  
And wash all over me."

"You can ask my friends,  
They say I'm talkin' all the time.  
But whenever you try and say hello,  
I freeze,

And then you say goodbye."

"But I'm not trying to be cool,

It's just that I'm a little shy.

And I wanna be straight with you tonight,

Wanna say that you're the one I like."

"And it looks like the rain,

But that's alright with me.

I'm standin' here,

Just lookin' for a chance to make you see.

And sometimes,

A little rain is all you need,

So let it come,

And wash all over me."

"Over and over,

I try to get closer,

But I always end up alone.

I search for a sign,

That you wanna be mine,

But until then I'm takin' it slow."

"And it looks like the rain,

But that's alright with me.

I'm standin' here,

Just lookin' for a chance to make you see.

And sometimes,

A little rain is all you need,

So let it come,

And wash all over me."

Just lookin' for a chance to make you see.
