Noise- is, well, a noise in the story.

Lyrics (centered) – people in story are listening/can hear it.

Lyrics (centered) - put in for my amusement. ^^ (AKA, they cannot hear it)

You

Zim's boot connects with side the body

It makes a sickening squelch

Thumping back to the ground

Red flies

Head turned at an impossible angle

Zim stares at the body

Eye guarded

The body just lays there

Blood everywhere

Unmoving

So still

Too still

Could this really be

The end?
