1 - The beggining

Scene 1

'Run!!' shouted cloud as the gang was being chased by a big boulder.

'Look there's a hole big enough for us to get in!' shouted Aeris pointing to a gap in a wall. Everyone began running at top speed to the hole. Suddenly Charlotta slipped and fell over. Now the boulder was close.

'Quickly, get up! come on Charlotta! Quick it's right behind you!' everyone was shouting.

'I can't, I think I twisted my ankle!' said Charlotta struggling to get to her feet. Suddenly, without thinking twice, Cid ran and picked up Charlotta. The boulder was so close Cid had to jump into the hole before it was too late.

'Thank you, Thank you very much Cid' said Charlotta with tears in her eyes 'Thank you for saving my life!'

'Err, no... No problem!' said Cid struggling to give her a good answer

'Can you walk?' asked Yuffie

'I... i think so' said Charlotta getting up with the help of Yuffie

'wow i didn't realize how much he cared for me!' thought Charlotta while staring at Cid for a few seconds

'But wow is he strong'

'Charlotta are you okay?' asked Yuffie

'Err yeah... yeah of course i am! Why?' Charlotta asked

'You appear to be staring at Cid! Mmmm... you fancy him don't you? Come don't deny it, you've been staring at him since we first met him!' said Yuffie smiling

'Err' Charlotta said shyly 'yes' she said as she bowed her head down as if ashamed for liking someone she's banned to see.

'I knew it!' she said triumphantly 'Why won't you tell him you love him?'

'Because he's in love with somebody else remember!' said Charlotta 'That girl he lives with'

'Oh, right, Shera!... but he might not love her!' said Yuffie 'Maybe she's just someone who helps him with his planes!'

'maybe' said Charlotta sadly

'I know! i could ask Cid out for you!' said Yuffie

'no! please don't, i beg you! please don't ask him?' said Charlotta

'fine!' said Yuffie sadly 'I will still ask him for her, but maybe secretly' she thought to herself 'Okay I won't ask him'

'Thank you!' Said Charlotta as she hugged Yuffie

'come on guys we've been waiting ages for you!' said Barrett ' we've got to get to Neibleheim before Shinra does!'

2 - The mixup

Scene 2

As the gang got to Neibleheim, Yuffie, hoping Charlotta wouldn't see, went up to Cid to talk to him.

Hey Captain! said Yuffie with her hands behind her, looking like a little girl

What do you want? said Cid looking angry like he always did

Ya know Charlotta over there? Said Yuffie pointing to Charlotta

What about her? Cid said

She has the hots for you and she didn't want to tell you because she thinks you are going out with that girl who lives with you!

Well she is hot. Tell her I am not going out with Shera! said Cid slightly blushing

Okay! said Yuffie. As she turned around Cid stopped her

And Yuffie, please stop calling me captain! My name is Cid, got it Cid!

Okay, Okay got it captain!

Grr, she's one heck of a dog that Yuffie! said Cid throwing his Cigarette on the floor and lighting another one.

Cid, do you have to keep smoking? Do you realize how dangerous and annoying it is! said Tifa

Tifa, do you have to constantly moan at my smoking habit! said Cid imitating her, then leaning on a wall to smoke his cigarette god I wish I was up there right now! thought Cid as he looked up to the skies.

Cid, why do you always look up? asked Aeris sweetly

hmm& All my life, I wanted to go into space, to become the first man in space& but when my dream came true, it got destroyed by Shera, now I don't think I'll ever go! said Cid with a tear in his eyes.

well she probably done it for a reason! said Aeris trying to help him

Hmm& he said as he looked into the skies once more I guess dreams never last especially one like the one I want, just one chance&one chance to get outer space& to see a whole new world, that no-one's ever seen before in the eyes of man

Cid follows the crew towards the dark, haunted building, created by shinra themselves.
