Chapter 1 - All I Need

1 - All I Need

All I Need

What I want, More than anything,
More than life itself,
Is to see you once more.
All I want, All I need,
Is to see your smile,
To hear your laugh.
All I wish for,
Is to gaze into your tranquil eyes.
To peer into them,
And become lost in their beauty.
My soul longs for your kiss,
Your sweet lips pressed softly against mine.
I want to hold you once more,
While a sweet melody plays softly,
And fills the air around us.
All my being yearns for,
Is to see you,
One
Last
Time.
