*Song about not caring what happens to other people. Dark and sinister, as much of my poetry is.*

# 1 - My Heart is Dead

## My Heart is Dead

I hear the babies cry;  
The monsters must be fed;  
Soon they will all die;  
My heart is dead.

Over the horizon I see smoke;  
Warriors that go forth do not come back;  
On tears I do not choke;  
My heart is black.

The warriors do not know;  
`Else they'd not be so bold;  
Onward and onward they go;  
My heart is cold.

The monster's feast on the warriors meat;  
None will be left come dawn;  
They've never tasted defeat;  
My heart is gone.

The sun softens the sky;  
The monsters are well fed;  
I wave goodbye;  
My heart is dead.
