Another dark and sinister poem. Had to write it for English last year and thought it turned out not too bad.

1 - What Night Brings

What Night Brings

Bright sunny day turns swiftly,
Like a wheel going downhill,
Dark starry night comes quickly.
Dawn brings, night ends
Life, peace, hope slip away,
Like water down a drain.
Seeking, Hunting, Destroying
Quiet evil monster of the night.
Red blood runs,
White bones snap.
Dark monster feeds eagerly,
Until dawn shines once more.
