1 - Untitled

[i forget the name of it ill post it when i find my original writing]

The Bitter Sorrow you hold inside
The Painful Nostalgia you try to hide
Looking Back at the Past you Remember what was
When you where together you never felt lost....

Your Memories and Regrets are falling like snow
as you fall to your knees you let your tears flow
you cant shake the feelings of loss and despair
so you finally let go and you lay your heart bare...

But thier's a God up in Heaven thats been through it all
So if you feel lonely just give him a call
he'll be thier beside you where ever you go
and he'll fill your heart so you finally know

That the snow and the rain is not cause for sorrow
its for beauty and joy so dont fear tomorrow!
stand up and walk boldly to face a new day
let go of the past it will all be ok.

If you trust in the Lord every step that you take
he'll give you wings for when your world shakes
