Chapter 1 - Fantasies

2

1 - Fantasies

A sweet and pretty girl

Walking down the aisle

Beautiful white,

long sleeve,

I want to kidnap her

Would she mind?

She looks so irresistible

How can the groom

control himself,

so close to her

standing skin to skin

I bet he's fantasizing

You're being taken

Taken away

Can we still have an affair?

Bear my child?

He won't mind right?

I fantasize

You're quite the wanted one

As I look behind

Many red faces

So much jealousy

No man pays attention

They fantasize

And so many grandmothers

Who are missing out on

The perfect daughter in law

Will you treat them the same?

So nice that it pleasantly hurts

No.. it so unbearably hurts

[refrain]

With your soft loveable smile

You speak the everlasting promise

Everlasting...

Is there really no hope for us?

[refrain]

That you'll be mine.
