**Chapter 1 - The color of your eyes**

# 1 - The color of your eyes

**The color of your eyes,**

I didn't see her enter the room,

I didn't see how she walked over towards the couch,

Or how she, gracefully, sat down

I didn't see, how she sat there, only eyes for me,

Looking away in advance when I finally noticed her,

Sweetness on her lunch break,

No movements to take,

Afraid she might fade.

But soon after noticing her,

She went away.

Does she expect me to chase?

Why the strange look as I spoke the first 'hey'

Why would you say,

That you don't know what I want from you?

But then I realised, the color blue

Your eyes, I didn't know,

"Excuse me miss, blame my searching heart"

Once again, it just broke apart
