-----Slot 1 - O Stalker My Stalker-----

Robotnik: Welcome to the Robotnik Show! I'd like to introduce the Blue Blur himself, Sonic the Hedgehog.

Sonic walks out and is greeted by a loud roar of cheers and shouts. Some fan girls try to bum rush the stage, but are stopped by Security. A fan girl's head explodes because of Sonic's awesomeness.

Robotnik: Welcome Sonic! Please, have a seat.

Sonic nervously looks around the crowd, and sits down.

Robotnik: Now you asked to be here, Sonic. You didn't want to talk on the phone, or meet me. you emailed. May I ask why?

Sonic: First I want to know... is she here?

Robotnik: Who?

Sonic: (says in an extremely silent whisper) Amy...

Robotnik: Ohh, no. She's not here Sonic.

Sonic: (breaths a sigh of relief) That's great..

Robotnik: (nods) Now tell us.. why are you here?

Sonic: I'm being stalked. Everywhere I go I see....PINK... (whimpers, curling up on chair)

Robotnik: (raises an eyebrow) Pink, you say?

Sonic: (freaks out) AMY!!! SHE WON'T LEAVE ME ALONE!!! (starts to breath rapidly and nervously)

Robotnik: Someone get him some water!

Security walks forward, handing Sonic a glass of water. Sonic downs it quickly.

Sonic: (takes a deep breath) I came here today to talk about Amy's obsessive relationship with me.

Audience: Awwwww...

Sonic: It's not cute!!! She stalks me. She stole my extra set of keys for my house! She comes in at night when I'm sleeping and smells every single one of my clothes!

Robotnik: Sonic, I need to stop you for a moment. We have Amy backstage, now.

Sonic: What?! \*whimpers\*

Robotnik: Sonic, it's going to be okay. (looks toward audience) Here's what Amy had to say.

Screen shows Amy in front of a black background, various face shots and body shots.

Amy: I don't get why Sonic called me here. Ooh! Is it because he wants to marry me?! If so, that would be soooo romantic! He said it was something serious, so I'm wondering if he meant serious as in good, or as in bad...

Robotnik: Here's Amy!

Amy walks out and is greeted by some cheers and whistles. She walks straight over to Sonic and gives him a kiss on the cheek, before taking a seat closely next to him.

Amy: (looks at Sonic) Soooo.. Sonic. (blushes and giggles) Why'd ya call me out on here?

Sonic: I...

Amy: Yes?

Sonic: Amy... I can't stand you! You always follow me wherever I go! I've told you numerous time, I don't like you! And yet you still think I do!! PLEASE! LEAVE ME ALONE! (He looked at her with anger in his eyes)

Amy: (Gasps).....(slaps the shoot out of Sonic)

Crowd: OOOOH!!! PINGAS! PINGAS! PINGAS! PINGAS! PINGAS!

Amy: (gets furious and takes out her Piko Hammer, lashing out at Sonic)

Sonic: Ahh! (jumps up and backs away)

Robotnik: HEY! You calm down!! How'd you bring that weapon on the premises?! Security, restrain her!

Security guards surround her, as Amy glares at each of them and lashes out with her hammer. They rush her, grabbing her from behind.

-----Slot 2 - An Open Whore-----

Robotnik: Now, let me introduce my next guest, Knuckles T. Echinda.

Knuckles steps out with a slight angered face. Minimal applause is made to insure his sanity remains.

Robotnik: Welcome, Knuckles.

Knuckles: (Still angered) . . . Thanks . . .

Robotnik: So, you say that your girlfriend, Rouge, has been sleeping with other men?

Knuckles: (Highly angered) YES! (Slams fist on armrest) THAT WHORE!

Robotnik: Woe, calm down. It's alright, you'll get through this. We talked to Rouge, earlier, and she had this to say . . .

Screen shows Rouge in front of a building doing different sexual poses while she says the following lines.

Rouge: I don't understand why Knuckles can't get a reality check! I'm Rouge The Bat and I WON'T be held down by one man! I'll frack who I want, when I want and how I want to. I'm a whole lot of woman and I can't be pleased by just one cock! And if Knuckles can't respect that, then he should just get his little boy toy out of here and go some where's else because I don't plan stopping just for him!

Robotnik: Well, here she is, Rouge The Bat!

Rouge walks out wearing skin-tight, excessively revealing cloths. The audience boos. Rouge walks over to her seat beside Knuckles saying, "Whatever! Whatever!" and flipping off the crowd.

Robotnik: So, Rouge, do you feel bad at all for betraying Knuckles like this?

Rouge: Why should I feel bad? Maybe if he was better in bed I wouldn't frack all those other guys,

Audience: Ooooooooooooooooooh!

Knuckles: (To Rouge, angry) You're a damn whore!

Rouge: I'm not a whore!

Rouge and Knuckles: (Arguing at the same time, most words are incomprehensible)

Robotnik: (To Knuckles and Rouge) Hey! (They continue to argue) HEY! (Still argue) \*Yelling\* STOP BEING PINGAS AND SHUT UP! (They silent with fear)

Audience: Pingas! Pingas! Pingas! Pingas! Pingas! Pingas!

Robotnik: When you're on MY show, you're going to at least ACT like adults, you understand me?!

Audience cheers. Robotnik settles down.

Robotnik: (Takes a deep breath to calm his nerves) Now, Rouge, do you love Knuckles?

Rouge: (Ashamed look on her face) Yeah.

Robotnik: Well, why are you sleeping around then.

Rouge: It's uh . . .

Robotnik: Why are yo -

Rouge: It's just sex.

Robotnik: What?

Rouge: It's just sex.

Robotnik: Just sex?

Rouge: Yeah.

Robotnik: You don't think having sex with multiple partners can be considered a betrayal to Knuckles, your supposed boyfriend?

Rouge: Nah. I love Knuckles and I want to be with Knuckles, but I'm gonna have sex with whoever I please.

Knuckles: And, Doctor, sh-

Robotnik: (Yelling at Knuckles for his disrespect Hey! I'm talking to Rouge! You can speak when I talk to you! But until then, you keep your mouth shut!

Audience cheers.

Robotnik: Now, Rouge, I got this to say. You are in the wrong. You shouldn't have a boyfriend and sleep around with other men. (To Knuckles) Now, what were you saying.

Knuckles: . . . (Sighs) I was saying that when we go out in public she'll flirt with any guy near here, even if I'm around. When we're eating dinner she'll keep all the men she fracked that day. I even walked into one of the rooms in MY OWN house and found her fracking one of my friends, Shadow, I walked in and they didn't stop. I can't keep up with this. Something's got to be done!

Robotnik: How come you haven't left her?

Knuckles: I - I love her.

Audience: Awww . . .

Robotnik: Well, we have a guest with us - Shadow The Hedgehog!

Shadow walks out of backstage. Audience boos. Shadows calls them "Pitiful humans." And sits beside Rouge. Rouge kisses him. Knuckles gives death-stare.

Robotnik: Have you had sex with Rouge, Shadow?

Shadow: Of course.

Robotnik: Where you caught by Knuckles?

Shadow: Yes.

Robotnik: And you didn't stop when he walked in?

Shadow: Why should we?

Robotnik: You're having intimate relationships with his girl!

Shadow: His girl? Sorry to say but it's more like the whole towns girl.

Audience: Ooooooooooooooh!

Rouge: (To Shadow) Shut up, you dick!

Knuckles: (To Shadow) Take that back, you bastard!

Robotnik: (To everyone) Quiet, all of you!

Silence.

Robotnik: Okay, Knuckles, Rouge has a few secrets she told us.

Rouge: (On Screen) Knuckles, I have a little secret I want to tell you! You're 2007 birthday party when you asked me to go with you to bowl with your pals and I didn't. Well, that's because I planned on inviting five guys to frack my brains out. We had sex right in the living room and I enjoyed every last minute of it!

Knuckles jumps up in anger,

Knuckles: What?! You dog!

Robotnik: Stop, she has one more secret.

Knuckles turns to the screen.

Rouge: (On screen) Oh, Knux, I got another secret. When you went to your moms funeral in 2008. I invited your friend Tikal over and celebrated your moms death with hot lesbian sex! And it was a lot better than you'll ever be!

Knuckles: (Stunned) . . . On my moms funeral day . . .

Robotnik: Sit down, Knuckles.

Knuckles sits with a blank stare but could tell he was thinking.

Robotnik: Knuckles we gave Rouge a lie detector test. We asked her a single question. Are you ready?

Knuckles: . . . Yes.

Robotnik: Grabs a manila folder from a security guard. Rouge we asked you, "How many partner have you had sex with in one setting?" You said, "Seven." The test determined that was a lie. The test revealed that you had sex with over 50 men in one setting for a homemade porn video!

Knuckles stands up in rage grabs a chair and throws it to his side narrowly missing an innocent bystander. He runs into the backstage and throws a punch into the wall, creating a gaping hole. Rouge runs back there and tries to speak.

Knuckles: Shut up, you filthy, fracking whore! I don't want to hear your mouth! We're over! You understand? Over!

Rouge runs out of the building crying. Knuckles drops to his knees and Robotnik runs to him and comforts him.

Robotnik's Voice: When we come back . . .

Image on screen shows Vector yelling at Vanilla.

Robotnik's Voice: IS she a bad mother? Find out when we return.

-----Commercial-----

A fat man, with a five-O-Clock shadow, and a cigar appears on screen, Fat Bill.

Fat Bill: My name is Fat Bill! I want you to come down to Mad Cow Burger! It's damn good! Made from the most illegal of all beef. So you know it's tasty!

Show burger being cooked.

Fat Bill: Look at all the sizzling goodness. Why, if you don't eat it, you may live a long, yet miserable, life!

Goes back to Bill, he holds a very large burger.

Fat Bill: Now, try our 5000 calorie burger, Death On A Bun! This bad boy may last longer than you do!

Announcer: We are not responsible for any health problems to occur! Eat at your own risk!

Fat Bill: Only \$5.99. So, come on down Mad Cow Burger and I'll fry you up something deadly!

-----Slot 3 - Is She A Bad Mother?-----

Robotnik: And now for my final guess. He claims that his neighbor is a bad mother and feels he should take the child and raise it! Here he is Vector T. Crocodile!

Vector walks out raising his arms. Some of the audience cheers. Vector sits by the good doctor.

Robotnik: So, Vector, why do you feel Miss Vanilla is a bad mother.

Vector: Well, Doc, I always see that kid wondering around the woods without ANY parental supervision! At night I can hear a party going in on their house, it's a wonder how the girl is passing in school. And . . . Sometimes she pawns the girl off on me just so she can invite the WHOLE damn town to frack her!

Audience: \*GASPS\*

Robotnik: Wow . . . What a statement. This defiantly sounds like a reckless mother. Well, we talked to Vanilla and this is what she had to say.

Vanilla: (On screen in melancholy black and white) All these allegations are just not true. I do not know why Mister Vector is telling these lies. I love my child, Cream, with all my heart. And her pets Cheese

and Chocola. And I will stand out for my child, to protect her from this conniving liar!

Robotnik: Here she is, Vanilla T. Rabbit!

Vanilla walks out. Audience boos. Timid Vanilla hesitates to continue but eventually builds up the courage to sit down by Vector.

Robotnik: Hello, Vanilla.

Vanilla: Hello.

Robotnik: You say these claims by Vector are false?

Vanilla: Yes, he lying. I send my child to bed at 8:30 every night, the only place I leave her to play at alone is the backyard, and I've never even been to The Chaotix Headquarters for the past two years.

Robotnik: Vector also claims that you've been whoring around the town.

Vanilla: That is just NOT true!

Robotnik: Well, how about we get it from the mouth of the babe? I want to invite Cream up here. Cream?

Cream, in the audience looks at her mom, nervously. Vanilla nods once and Cream walks onto the stage. She walks to Robotnik and Robotnik kneels down to her.

Robotnik: Cream, would you say your mother is . . . Loving?

Cream: Yes.

Robotnik: Trustworthy?

Cream: Yes.

Robotnik: What about . . . Abusive? Has she ever hit you?

Cream: No, never! She's the kindest person ever!

Robotnik: Has she told you what to say? Did she threaten you?

Cream: NO!

Vanilla: (To Robotnik) Please, stop!

Robotnik: (Examining situation, to Cream) You may sit down.

Cream runs back to her seat.

Robotnik: Well, we're ALL about to find out the truth. \*Holds out manila folder\* I have here in my hand the lie detector test we gave Vanilla! \*Opens it and pulls out results\* We asked Vanilla if she has ever let her kid run rampant, she said no! . . . The test revealed that she was telling the truth! We tested you Vector and asked if this story was true, you said yes and the test revealed that that was a LIE! You made this whole story up!

Vector jumps out of his seat.

Vector: I hate that fracking dog! I wanted revenge for not taking me out on a date! Stupid fracking whore!

Robotnik: Get him out of here! Security!

Security, Omega and Big, runs out there and grabs Vector and force him backstage.

Cream runs up and hugs her mom.

Robotnik: Well, how about that? That's it for The Doctor Robotnik Show. See you next time!

Robotnik: Strong words. Now, we asked your rival what he thought of this situation and he sent this video in.

\*Video fades in Adventure of Sonic The Hedgegog

Is seen standing there\*

AOSTH Sonic: I personally don't understand why Sonic X is trying me. Adventures of Sonic The Hedgehog has been dead for a long while - maybe it is due to all the Youtube videos and the rise of pingas - I don't know. But what I do know is I AM THE ORIGINAL Sonic animation and I WILL win this fight. Sonic X, watchout watchout for a speedy blue blast from the past!

Robotnik: He sounds confident! Sonic from Adventures Of Sonic The Hedgehog!

AOSTH Sonic: \*Walks out and raises one hand for victory. Sits next to Sonic X.\*

SonicX: \*glares at him as he walks out\*

AOSTH: Hello, Doctor.

Robotnik: Hello.

Robotnik: Now, why must you think you need to ... beat a dead horse, Sonic X?

SonicX: \*Glares at AOSTH\* You're an imposter! I'm the real Sonic!

AOSTH: But I've been here first!

SonicX: But you couldn't just die with the series, could you? I know you were behind the youtube poop invasion with all the AOSTH!

AOSTH: You can't prove anything. Besides, everyone loves them! You had some Youtube time, look at all those music videos.

SonicX: That's because no one wants to here Steve Urkel sing!

Audience: \*Kelso from That '70s Show can be heard in the Audience shouting, "BURN!!!"\* PINGAS! PINGAS! PINGAS! PINGAS!

SonicX: Hear that? You started that pinags crap!

Robotnik: \*Cuts in\* Alright! Alright! Enough of this arguing. Now, Sonic X, do you believe your show is better?

SonicX: Better as in better of a plot, art and \*snickers\* voices, then yes.

Robotnik: Okay. Do you believe it's better for children?

SonicX: Of course. It's on 4Kids, isn't it?

AOSTH: \*Interrupts\* Oh, come on! Better for children? Hell, I had the Sonic Sez segment that taught children good values!

SonicX: You mean like the smoking segment and the one about child molestation?

AOSTH: Yeah, that stuff NEEDS to be talked about. And you're such a hypocrite; you got a bat with big knockers and you're on 4kids? What the hell?!

Audience: Audience: \*Kelso from That '70s Show can be heard in the Audience shouting, "BURN!!!"\*  
PINGAS! PINGAS! PINGAS! PINGAS! PINGAS!

Robotnik: \*Sighs\* Will someone please get Michael Kelso out of here?

SonicX: Well, at least I don't have the voice of Steve Urkel in a poorly drawn body of Sonic The Hedgehog with an idiot Fox friend – who I might add is also poorly drawn in a world with a crappy Evil Nemesis - who is WAY too obese for a stereotypical bad guy, who is trying to rule the world through pollution all in a Saturday Morning Cartoon Show with obnoxious slapstick humor!

Audience: Audience: \*Kelso from That '70s Show can be heard in the Audience shouting, "WHOA, OCTOBURN!!!"\* PINGAS! PINGAS! PINGAS! PINGAS! PINGAS!

Robotnik: Son of a – Seriously someone get rid of Kelso!

AOSTH: \*Silent\*

SonicX: Got you didn't I?

AOSTH: Hope you're proud of yourself. You just insulted a Children's Show from the 90s! Jeez, you know, I SHOULD be upset with the, ahem ... octoburn you gave me, but I pity you. You're so upset with nothing. I mean, I'm on Youtube, sure. People love my Youtube Poop, true. But I'm dead for TV shows, you can't find me on ANY channel. The fact is Sonic X, that your show is still alive and will always be chosen for Fan Art and Fan Fiction. They won't choose me. Now if you'll excuse me, I got Video Hosting Websites to invade.

Adventures of Sonic the Hedgehog's Sonic jumps down and walks off set

Sonic X: \*Stumped and pointing at AOSTH and talking to Robotnik\* Did he - did he just win?

Robotnik: Yeah, I think he won by being the bigger man; you were so caught up in jealousy for nothing. AOSTH knew this and just walked away, letting you soak.

Audience: Audience: \*Kelso from That '70s Show can be heard in the Audience shouting, "BURN!!!"\*  
PINGAS! PINGAS! PINGAS! PINGAS! PINGAS!

Robotnik: That's it! Sercurity!

Security runs to the audience and tackles Kelso.

Announcer: Drunken Monkey Beer!

Shows three stickmen standing around one stickman who's chugging down a keg of Drunken Monkey Beer.

Three stickmen: Chug! Chug! Chug! Chug! Chug! Chug!

Then it shows the one stickman entering a car while the three stickman stand behind it as it takes off.

Three stickmen: Drive! Drive! Drive! Drive! Drive! Drive!

Final scene has the one stickman speeding down the road, narrowly missing oncoming traffic.

Three stickmen: Wreck! Wreck! Wreck! Wreck! Wreck! Wreck!

One stickman: (Hangs body out of car while steering with left foot, still hauling down the road) Look, ma! I'm driving with my feet!

Announce: Drunken Monkey Beer - Be the primate you are!

-----Slot 3 – Will The Real Darko Please Stand Up? -----

Camera zooms in on the good doctor.

Robotnik: Welcome back and let me bring out my final guests at this time – Darko, from Link\_The\_Hedgehog\_Magician's story – Darko Arises!

Lights bust and fog fills the room. A ring of fire blasts through the ground and from it rises mysterious black matter that forms together and creates a hedgehog with green eyes – Darko.

Robotnik: \*Still reading the card like nothing happened\* And my other guest from Esshole's story, Darko Live – Darko!

Five seconds of silence passed.

Robotnik: Hmm? Maybe he missed the plane?

Then an audience member stands.

Robotnik: Sir, please sit down.

The man looked at him, his eyes pitch black. The man struck another audience member beside him, grabbed them, equipped a knife and slit their throat. The assailant formed a hexagram on the floor with the sacrifices' blood.

Robotnik: Security! Security!

The man pulls out an upside crucifix on his necklace and begin speaking in ancient Hebrew. Security

arrives on scene, but within three feet they burst into flame. The hexagram glows and the man kisses the upside cross and stabs himself. The room goes dark and then relights. There, were the ritual happened, stood Darko.

Robotnik: \*Notices Darko\* Ah, there you are. Please, come on stage.

Esshole's Darko steps on the stage and shakes hands with Link's Darko. They sit down beside Robotnik.

Robotnik: So, what seems to be the problem, Darko?

Both Darkos speaking at the same time.

Robotnik: Hold it! Hold it! Okay, let's say Link's Darko is Darko A and Esshole's Darko is Darko B.

Darko B: Wait! Why does he get to be Darko A?

Darko A: I was made first. Plus, you really seem like a B, you know.

Darko B: Fine. You can be crummy Darko A, I'll be Darko 1.

Robotnik: Okay. Darko A, what do you think the problem is?

Darko A: Well, the problem is simple, this knock-off needs to stop trying to steal my thunder! I'm the original Darko! My story was made first and no other Evil Force From Hell can stop me!

Robotnik: Well, Darko 1, what is your response?

Darko 1: Well, my response is this; Yes, he is the original Darko, I'll admit. But is as evil as me? Is he as powerful as me? Personally, I think I'm better in every form.

Darko A: Better?! Ha! That's a laugh! You're a cliché!

Darko 1: \*Looks at him like he was offended\* Cliché?

Darko A: Yeah, you're a cliché! \*Mocking Darko 1\* "Oh, look at me! I'm the devil! I'm make people break the Ten Commandments, insult God and try to harvest their souls!" Oooooooooohhhhh, scary!

Darko 1: Yeah? What about you?

Darko A: What about me?

Darko 1: \*Mocking Darko A\* "Look at me! I'm Darko! I'm nothing but evil-evil-evil. I know I'm the essence evil! I'm so evil, I'm listen to metal, because it's evil!" \*Stops\* Pathetic! While you're eviling it up, I'm out about the town turning good people against God and manipulating them for my own game!

Darko A: \*Sarcastic\* Oh, I'm sorry Lucifer. Maybe I should be more evil by creating a clichéd intro that involves a satanic ritual.

Darko 1: Fine! Maybe we should settle this Hell-Bound Force to Hell-Bound Force!

Darko A: Bring it, Satan!

Robotnik: \*Yelling\* Both of you calm down, now!

Audience: Pingas! Pingas! Pingas! Pingas! Pingas!

Both Darkos give a death stare to the audience and the audience souls starts ripping out of their bodies.

Darkos: Bring it on!

The Darkos begin fighting with supernatural powers, the building begins to collapse, demons from Hell appear and clash, physical objects start flying everywhere – all the while Robotnik is just trying to run his show.

Robotnik: \*Picks up camera\* Well, I suppose they will solve their own problems. Uh, well, join me next time on The Doctor Robotnik show! \*Chair narrowly misses Robotnik\* Next time, I'm limiting my guests' power level. Esshole's can be found here [hyperlink](#) Holy Crap!

[br]

Camera closes up on Doctor Robotnik face.[br]

[br]

Robotnik: Welcome, to the Doctor Robotnik show.[br]

[br]

Camera fades to black.[br]

[br]

Audience: Pingas! Pingas! Pingas! Pingas! Pinags![br]

[br]

-----Greetings-----[br]

[br]

Camera zooms in on the good doctor.[br]

[br]

Robotnik: Greetings, world, and welcome to The Doctor Robotnik show. The show where I try to help couples and families solve disputes. Because all they need is love and compassion. Now tonight we have three slots to fill! Tonight we have "Say Good Night To The Bad Guy" (an image of the Tails Doll with a halo over its head), "A BIG Problem" (Big is shown eating burgers) , and "Who's Your Daddy?"

(an image of Rouge with a baby and black outlines of four men standing around her with a question mark).[br]

[br]

Camera zooms out a little.[br]

[br]

Robotnik: Now, world, I'll have my first guess after a word from our sponsor.[br]

[br]

Fades to commercial.[br]

[br]

-----Commercial-----[br]

Robotnik is seen standing in a ghost town.[br]

[br]

Robotnik: Hello, I am Doctor Ivo Robotnik. You may know me from my talk show, "The Dr Robotnik Show." On the show I talk a lot about issues, drama and problems. I can usually fix them or get an ending result. But there's one problem I can't fix myself. YOU have to fix it.[br]

[br]

Camera zooms out, the ghost town grows bigger into a metropolis - however, the streets are void.[br]

[br]

Robotnik: Do you recognize this city? No. You should. It's the great city of FanArtCentral! Do you notice something strange? I do. The streets of this huge city are empty. Almost completely void of residents. There once was a time, back in 2005 when this city was booming with life. Citizens were all over. But now - now it is not. This city was known for it's influential pop-culture attitude, some better than other. But now look at it. Vacant! Little advertisement and little hope for its survival. The mayor just may wipe it out all together![br]

[br]

Camera zooms back in.[br]

[br]

Robotnik: And personally, this city means a lot to me. This is the original spot were I put up my studio and filmed my first show! [br]

[br]

Esshole walks in and puts one hand of Robotnik's left shoulder.[br]

[br]

Esshole: There is little hope for FanArtCentral's survival. People are leaving from boredom, lack of social life; because of the their friends leaving, and due to the lack of comments people make on other arts - whether it be a drawing or a story.[br]

[br]

Link\_The\_Hedgehog\_Magician walks in and puts one hand on Robotnik's right shoulder.[br]

[br]

Link\_The\_Hedgehog\_Magician : Now, I myself have been living here since 2005. I love it here, and I still do. And I admit, my work has been getting less and less comments everyday, especially my stories. I have seen many of my wonderful friends leave, even when I wasn't there to tell them goodbye. I hope one day FanArtCentral can return to the way it used to be.[br]

[br]

Robotnik: Link\_The\_Hedgehog\_Magician has even contemplated leaving himself. Esshole once left, back in 2006, when he was ANIMATIONmaster - he has come back. Now, hopefully, you wondering, "What can I do?" Well, there are a few things you could do;[br]

[br]

1. If you know someone who is planning to leave, or just simply came across their profile. Spam him with "Please don't leave!" Messages. Try to convince him or her to stay. If one goes, the flood gate opens. Especially if they're popular.[br][br]
  2. Comment on people's art. Whether their an artist or a writer comments are essential. Artist and writers are the life blood of FanArtCentral and all they ask for payment is a critique for their efforts. Whether your comment is a compliment or constructive criticism your word brings up their morale and want to stay. Look for a random picture or story and comment on it.[br][br]
  3. Make friends! When someone new buys a piece of property in FanArtCentral the first thing you should do is drop a "Welcome to FAC" line on them. Maybe they'll become your friend. If they do they want to stay, and make art. Even if they're not new it's always nice to drop by and give a random hello. Spark a conversation and keep them interested in FAC. Without friends there's no point in a social/art site.[br][br]
  4. Make art! Do some drawing for FAC; what ever your fandom is. True, you may not be the best artist, that's one of the point of this site. To improve! And if you can't draw then write. By adding to FAC you might bring in a few more tourists.[br][br]
  5. Finally, advertise! If you are an artist or writer. Then you know some of the folly not having people comment your art or story. There's one thing that'll pump up some hype, advertise! Tell people about your creation. Or else they won't know it exists. Especially, if it's a piece of literature.[br][br]
- Robotnik: Please, do so. Only with your help can FanArtCentral can be saved![br][br]
- Slot 1 - Say Goodnight To The Bad Guy-----[br][br]
- Fade in to the show.[br][br]
- Robotnik: Welcome back. Now let me introduce my guest, a much feared being. And tonight he's hear to show that he not such a bad guy. Ladies and gentlemen, The Tails Doll![br][br]
- The lights go out and eerie music is played, Can You Feel The Sunshine playing backwards. The lights come back on and the music stops. There, beside the doctor, sits The Tails Doll.[br][br]
- Robotnik: Ahem. So, how are you, Mister Doll?[br][br]
- The Doll sits there.[br][br]
- Robotnik: Uh . . . Can you talk?[br][br]
- The light on the Doll's head blinks.[br][br]
- Robotnik: Well, I hate to tell you this, Mister Tails Doll; I can't do a talk show if you can't, you know, talk![br][br]
- The Doll's light glows blood red, a man in the audience stands – his eyes pitch black. He walks onto stage and confronts the doctor.[br]

[br]

Slave: I am the Tails Doll's slave! He is my master. I will voice for him! All hail the great Tails Doll![br]

[br]

Robotnik: \*Raising an eyebrow\* Very well, then. \*Back to Tails Doll\* So, why are you here, tonight?[br]

[br]

Slave: All living mortals must realize that I am not evil![br]

[br]

Robotnik: You say you are not evil?[br]

[br]

Slave: No. They simply do not understand my work.[br]

[br]

Robotnik: Your work? Like eating someone's soul?[br]

[br]

Slave: Yes.[br]

[br]

Robotnik: But you're eating their souls. You don't consider that evil?[br]

[br]

Slave: If a lion eats a zebra, do you consider him evil?[br]

[br]

Robotnik: You're eating the souls of people![br]

[br]

Slave: Hey, I got to eat.[br]

[br]

Robotnik: YOU'RE A DOLL! Why do you need to eat?[br]

[br]

Slave: . . . Uh, you – you just can't understand.[br]

[br]

Robotnik: Obviously not. Okay, Tails Doll, let me ask you a few questions, a quiz.[br]

Slave: Fine.[br]

[br]

Robotnik: Alright, say a man accidentally spilled a coke on you, what do you do?[br]

[br]

Slave: Why I'd take that mortal and a knife and slit his throat – draining his blood all over the ground roll in for my bath and praise Darko, The King Of Hell, for my blessed sacrifice![br]

[br]

Robotnik: \*Eyes widen\*[br]

[br]

Slave: Uh . . . I mean, er, I'd ask him to give me a quarter . . . so I can go to the nearest, uh, laundry mat and get out the stain. Thus, you know, forgiving his foolishness.[br]

[br]

Robotnik: \*Eyes still wide\*[br]

[br]

Slave: Heheh . . . praise Jesus![br]

[br]

Robotnik: Yeah . . . Okay, I'm going to say a few words and I want you to give me the first word that pops into your head.[br]

[br]

Slave: Okay.[br]

[br]

Robotnik: Love.[br]

[br]

Slave: Hate![br]

[br]

Robotnik: Friends.[br]

[br]

Slave: Minions![br]

[br]

Robotnik: Earth.[br]

[br]

Slave: Global Domination![br]

[br]

Robotnik: In-laws?[br]

[br]

Slave: Kill![br]

[br]

Robotnik: \*Serious look on face\* Puppies?[br]

[br]

Slave: Road-Kill![br]

[br]

Robotnik: Jesus?[br]

[br]

Slave: Enemy![br]

[br]

Robotnik: \*Roll eyes\* . . .[br]

[br]

Slave: I mean, friend.[br]

[br]

Robotnik: \*Sighs\* Okay, let's try this. \*Holds up ink blob\* What do you see?[br]

[br]

Slave: I see a military of communist attacking American citizens at random. Tanks firing at buildings; knocking them down. Behind is a great blaze on the wall of China! And I, The Tails Doll, sit on a throne placed on the highest pyramid, with a crown made of the most expensive jewels and laugh manically at my greatest work, World War Three![br]

[br]

Robotnik: \*Looking at the blob at many different angles\*[br]

[br]

Slave: . . . And by that, I mean I see a kitty.[br]

[br]

Robotnik: \*Throws picture behind him\* You are not passing this test.[br]

[br]

Slave: . . . Okay, okay. Give me one more test; I'll prove I'm not evil.[br]

[br]

Robotnik: Okay. \*Holds up cross to Tails Doll\* What do you think of this?![br]

[br]

Tails Doll hisses and vanishes in a cloud of smoke. The man collapses on set.[br]

[br]

Robotnik: I got to stop inviting the paranormal to my show. We'll have more after this![br]

[br]

[br]

-----Slot 2 - A BIG Problem-----[br]

[br]

Robotnik: And now, introducing my next guest, Big T. Cat![br]

[br]

Big walks out from backstage, and tiredly walks over and sits by Robotnik.[br]

[br]

Robotnik: Hello Big, now do you know why you are on my show today?[br]

[br]

Big: OOH! My buddies told me I was here because we were gonna have a party! With lots of food![br]

[br]

Robotnik: Hmm... I'm sorry to say, Big, but there's no food here.[br]

[br]

Big: \*stands, but tiredly sits down again\* What?! B-b-but they said there would be food here! \*eyes tear up\*[br]

[br]

Robotnik: That was just a lie to get you to come on the show. The real reason is your weight Big.[br]

[br]

Big: My weight?[br]

[br]

Robotnik: Your friends put you on here to discuss your weight issues with you.[br]

[br]

Big: Wait.. is this one of those Invention things?[br]

[br]

Robotnik: Invention? Do you mean "Intervention?"[br]

[br]

Big: Yeah!... Wait! They're gonna put me on a diet! \*gets up and slowly runs away\*[br]

[br]

The security guards close and lock the doors, as Amy, Cream, Tikal, Sonic and Tails walk on stage, from the audience.[br]

[br]

Sonic: \*puts a hand on Big's shoulder\* Big, we're here to help you. You're eating too much![br]

[br]

Big: No I'm not!!... \*looks around and at his shoulder\* Where's Froggy?[br]

[br]

Tails: YOU ATE HIM![br]

[br]

Big: I did?[br]

[br]

Tikal: Yes. Sadly you did. Which also presents another problem. Big... you ate your best friend out of hunger.[br]

[br]

Big: No.. I'd never hurt Froggy.[br]

[br]

Cream: Wait?...So Mr. Big ate Froggy? \*starts to tear up\*[br]

[br]

Amy: No! He just err...well... Mr. Froggy's in a better place Cream.[br]

[br]

Cream: \*starts to cry\*[br]

[br]

Tails: \*sadly looks at Cream and gives her a hug\*[br]

[br]

Audience: Awwwwwww...[br]

[br]

Robotnik: Please Big. Take your seat again, so your friends can help you..[br]

[br]

Big:... \*sighs and sits back down\*[br]

[br]

Tikal: Big, we love you. And we just want to keep you safe. But you're constantly eating and eating. You need to slim down, otherwise you'll... \*glances at Cream, then back at Big\* "go away."[br]

[br]

Cream: Mr. Big. We were partners before and we still are. I don't want that to change.[br]

[br]

Big: \*looks at her, a bit teary eyed\*[br]

[br]

Amy: Same here. Big, we had fun in Sonic Heroes, and we don't want to lose you. You're our friend..[br]

[br]

Big:.....[br]

[br]

Sonic: We care about you dude. We can't stand watching you doing this to yourself... please... you need to diet..[br]

[br]

Big: Diet...?[br]

[br]

Tails: I typed out this for you.. \*hands him a piece of paper with dieting instructions, as well as workout\*[br]

[br]

Big: \*reads it silently\* .....Salad, less sodium intake. Less sugars?[br]

[br]

Tails: \*nods\*[br]

[br]

Cream: It sounds icky, but you'll feel and look a lot better when it's over..[br]

[br]

Robotnik: So.. Big... will you listen to them?[br]

[br]

Big:... \*lets tears fall\* Yes![br]

[br]

\*They all give him a big(no pun intended) hug\*[br]

[br]

?????????: STOP! \*A powerful women's voice boomed out of the audience. Everyone turns and looks, revealing it to be Roseanne.[br]

[br]

Roseanne: You insects! You think being overweight is ugly and hideous?! It isn't![br]

[br]

?????: YEAH! \*Everyone turns toward this man's voice, revealing it to be Chris Farley\* You tell 'em Rosie![br]

[br]

\*Peter Griffin and Homer Simpson walk in from backstage\*[br]

[br]

Big: Whoa, what's going on?[br]

[br]

Robotnik: Wow! This is a surprise! Peter Griffin of Family Guy and Homer Simpson in the same room![br]

[br]

Audience: \*cheers wildly\*[br]

[br]

Peter: You shouldn't let your weight keep you down, Big.[br]

[br]

Homer: True! We're two of the biggest guys in the industry. Quite literally.[br]

[br]

Roseanne: HEY! Shut up you two! I was talking first! You insignificant rodents think being fat is wrong? It's not! Look at me!! I'm overweight and I'm very succesful![br]

[br]

Chris: Right on![br]

[br]

?????: She is right guys. \*John Goodman walks out from backstage, cracks his knuckles, then crosses his arms, standing quite intimidatingly\*[br]

[br]

Robotnik: Hmm.. these people do have a point..[br]

[br]

Sonic: Yeah, but Big can..."go away" if he gets any bigger![br]

[br]

John Goodman: Think weight is going to kill you? Hell, I'm fat and a BIG alcoholic. I'm 57 years old and I'm kicking and kicking wildly.[br]

[br]

Roseanne: And besides., it's not like he's going to go away anytime soon.[br]

[br]

Big: .....[br]

[br]

Robotnik: Well Big.. this is your decision.. Are you going to lose weight, or not?[br]

[br]

Big: Well....\*He was cut off by heavy footsteps coming from backstage. The Big Show walked out to loud cheers and whistles\*[br]

[br]

Robotnik: So many celebrities! Welcome all![br]

[br]

Big Show: I'm big. And I know how dangerous it is to be big, but I don't let it get to me.[br]

[br]

Big: \*looks up at him, thinking\*...[br]

[br]

Big Show: But this is your decision anyway.[br]

[br]

Big:...It is..[br]

[br]

Big Show: But what's a life worth living if you don't enjoy it?[br]

[br]

Amy: He won't like the diet, but once it's over he'll enjoy life to his fullest![br]

[br]

Tails: He will. And he'll be able to do so much more, once his weight is gone.[br]

[br]

Cream: \*looking up at Big\* Please lose weight Mr. Big...\*teary eyed\*[br]

[br]

Big:...\*tears up\* Okay.. I'll do it for you guys.[br]

[br]

\*Once again, they all give him a big hug\*[br]

[br]

Robotnik: Well isn't that a sight to see. \*smiles\* We'll be back with more later.[br]

[br]

-----Commercial-----[br]

[br]

Roseanne is seen.[br]

[br]

Roseanne: Hello, I'm Roseanne Barr. I'd like to say that I understand the idea of weight loss and do respect those who lose weight for health. But I'd like to say this too. Being fat is not a crime! And just because someone is fat doesn't make them weak or ugly. What is ugly is the way you treat others. And if you do put someone down for their weight I'll hunt you down and make your life a living hell![br]

[br]

-----Slot 3 - Who's Your Daddy?-----[br]

[br]

Robotnik: Welcome back. At this time we have a truly serious issue. A young lady has had sexual intercourse with more than four men in two nights! Nine months later she had a little baby girl named Katie. Now she eight months old and fatherless. Each man she slept with claims that they are not the father. Rouge had this to say.[br]

[br]

Rouge on appears on screen her head down, almost crying from anger.[br]

[br]

Rouge: I have a daughter. I young eight month old littler girl named Katie. Sadly, I don't know who the father is. Sonic? Shadow? Tails? Knuckles? None of them will stand up to take the plate. None of them have the balls to fess up and be a man. They won't admit that they might be the father. I am here to find out who's the daddy and when I do the man who impregnated me better do his job and help support his kid![br]

[br]

Robotnik: Sounds like a woman who knows what she wants. \*Coughs\* Here she is Rouge The Bat![br]

[br]

Rouge walks out. Audience both cheers and boos. Rouge sits beside Robotnik.[br]

[br]

Robotnik: Hello, Ms. Rouge.[br]

[br]

Rouge: Hello.[br]

[br]

Robotnik: So tell us; are you certain one the four men you slept with the father?[br]

[br]

Rouge: I'm damn sure. And one of these, so called, 'men' better step up.[br]

[br]

Robotnik: \*Rubs chin\* I see . . . So, who do you hope the father is?[br]

[br]

Rouge: \*Sighs\* Well, Tails is smart and all that, he's making things all the time. Could be useful, you know. Knuckles has that big @\$ \$ gem, he could sell that and get a house by the beach. Shadow seems like a type of guy who'd defend his family and have honor and all that jazz. And Sonic is a really a good guy. Hmm . . . All things considered, Knuckles.[br]

[br]

Robotnik: I see. We asked the men what they thought and this is what they came up with.[br]

[br]

Screen plays video. A black and white video of the character is played on each of their own line.[br]

[br]

Shadow: Rouge claims that I'm the father of her child . . .[br]

[br]

Knuckles: . . . She's wrong.[br]

[br]

Sonic: There's no way I could be that kid's dad![br]

[br]

Tails: I mean look at me![br]

[br]

Knuckles: This is just a lie.[br]

[br]

Tails: That kid's father is someone else.[br]

[br]

Shadow: I don't know who it may be.[br]

[br]

Sonic: But one thing is for certain; I am NOT . . .[br]

[br]

Shadow: NOT . . .[br]

[br]

Knuckles: NOT . . .[br]

[br]

Tails: NOT THE FATHER![br]

[br]

Video fades out on Tails. Robotnik sitting in his chair.[br]

[br]

Robotnik: Well, they all seem sure of themselves. Sonic T. Hedgehog, Shadow T Hedgehog, Knuckles T. Echidna and Miles T. Prower; come on down![br]

[br]

They all walk out and thunderous boos of the audience. They sit in the chairs.[br]

[br]

Robotnik: So, none of you think you're the father?[br]

[br]

Knuckles: Hell, no! Look at the kid, doesn't look a damn thing like more, or any of the other guys![br]

[br]

Robotnik: Hypothetically speaking what if you are?[br]

[br]

Knuckles: I'm not. But if I were, then I'll treat it like my own.[br]

[br]

Robotnik: Fine. Shadow?[br]

[br]

Shadow: Even if I'm genetically the father she isn't my daughter! I won't look after her, I won't be there for Christmas and if she died, I won't be there for the funeral.[br]

[br]

Audience: BOOOO!!!! You suck!!!! PINGAS! PINGAS! PINGAS![br]

[br]

Shadow: What the frack ever. I bet half of you don't even know your own father, do you? Bunch of trailer-trash red necks![br]

[br]

Robotnik: You don't insult the audience, you hear me! I'll throw your @\$@ out![br]

[br]

Audience: PINGAS! PINGAS! PINGAS![br]

[br]

Robotnik: \*Settles back in chair\* Now, Sonic, what if the child is yours?[br]

[br]

Sonic: I don't believe the kid is mine. I'll hate to be father. But if I am, then I'll accept it. I'll love and support her.[br]

[br]

Robotnik: Good answer. What about you Miles?[br]

[br]

Tails: Call me Tails. And I don't think it's a matter of, "if I am," I just now hit puberty. I don't think I can be the father.[br]

[br]

Robotnik: Fair enough. \*Robotnik signals a guard over. Guard hands him a piece of paper\* I have the

lab results for the paternity test. We'll found out who's the father, right now! \*Reads\* In the case of eight month old Katie, Shadow, you are not the father![br]

[br]

Shadow: \*Smiles and nods\* I knew it.[br]

[br]

Rouge: Thank God![br]

[br]

Shadow: \*Smiles\* You know, it'd be a lot easier to tell who the father is if you'd take ONE DICK AT A TIME![br]

[br]

Rouge: Go to hell, Shadow![br]

[br]

Robotnik: In the case of eight month old Katie, Knuckles, you are not the father![br]

[br]

Knuckles: Yeah! \*Jumps up\* Yeah, that's right! All of you can suck it![br]

[br]

Rouge: Damn it![br]

[br]

Robotnik: Two down, two more to go. In the case of eight month old Katie, Sonic, you are not the father![br]

[br]

Sonic: \*Wipes sweat from head\* Shoo.[br]

[br]

Everyone stares at Tails. Tails eyes widen, sweat rains from his face. A dead silence feels the warm. Tails heart could be heard pounding.[br]

[br]

Robotnik: In the case of eight month old Katie, Tails, you are the father![br]

[br]

Tails: What?! No! No! No![br]

[br]

Rouge: Yes! Yes! Yes! And you're going to be helping big time, buddy.[br]

[br]

Robotnik: You can call me![br]

[br]

Several images are played in the next line.[br]

[br]

Robotnik: You are the father! You are not the father! You need to have love and understanding! Hey, you don't bring that trash onto my show![br]

[br]

Image of Man running with a pocketknife toward Robotnik.[br]

[br]

Robotnik: Hey! You get off my stage![br]

[br]

Image of Security dragging man off stage.[br]

[br]

[br]

Robotnik: *\*disgusted face\** Snooping as usual I see. *\*shakes head sadly\**[br]

[br]

Camera closes up on Doctor Robotnik face.[br]

[br]

Robotnik: Welcome, to the Doctor Robotnik show.[br]

[br]

Camera fades to black.[br]

[br]

Audience: Pingas! Pingas! Pingas! Pingas! Pinags![br]

[br]

-----Greetings and Slot 1-----[br]

[br]

Robotnik: Good day to you all.[br]

[br]

Camera zooms in.[br]

[br]

Robotnik: I apologize to all of those who have been kept waiting for my show, the network has temporarily put us on hold ... but worry no more. I'm back![br]

[br]

Audience: PINGAS! PINGAS! PINGAS! [br]

[br]

Robotnik: It's true the network has been quite pingas as of late. But now they have opened their eyes to good will and allowed my teachings to return.[br]

[br]

Camera closes in on his face.[br]

[br]

Robotnik: That is why today's show is a special among the others – no commercials today. I have read a letter, from one Amy Rose. Her current boyfriend, Shadow the hedgehog, hasn't been showing her any kind of care for her – she claims that all he's been using her for is sex! And worse that he's even ABUSED her multiple times.[br]

[br]

Audience boos.[br]

[br]

Robotnik: (Sarcastic) REAL tough guy, eh?[br]

[br]

Audience: PINGAS! PINGAS! PINGAS![br]

[br]

Robotniks: Well, let's bring her out, folks. Here's Ms. Rose.[br]

[br]

Amy Rose walks out from backstage, she appears timid. The audience cheers her on as she sits besides the good doctor. Her eyes filled with tears and Robotnik hands her a handkerchief.[br]

[br]

Robotnik: You're a brave woman, Amy, and the first step to recovery is admitting there's a problem. The second is looking for a solution, you're on that. The third is resolution. You're almost there.[br]

[br]

Amy: Thank you, doctor.[br]

[br]

Robotnik: We're all here for you. Isn't that right, folks?[br]

[br]

Audience gives a thunderous applause.[br]

[br]

Robotnik: Now, tell us what's been going on between you two.[br]

[br]

Amy: Well, when Shadow and I first began dating – he seemed like the kind of guy I liked. A little rough around the edges but I felt like I could smooth him out! \*Cries\*[br]

[br]

Robotnik: I have seen so many women fall for the same trick of mind. You're not alone.[br]

[br]

Amy: Well ... one day I gave into him and we ... had sex. After that he's been treating me like he owned me – calling me names and making me have sex with him.[br]

[br]

Robotnik: So, he's been beating you down emotionally and mentally, keeping you on his level, making you feel like you can't do better than him, just so he could use you for sex?[br]

[br]

Amy: \*Heavy tears falling\* .... Yes![br]

[br]

Audience: \*Booing\* PINGAS! PINGAS! PINGAS![br]

[br]

Robotnik: I am terribly sorry.[br]

[br]

Amy: And ... one day .... I wanted to go out with my girlfriends to the mall ... and he got angry for no reason ... he began yelling and screaming ... throwing stuff around .... And then he ... he ... hit me! Multiple times, he hit me! \*Squalling\* Oh my god![br]

[br]

Audience boos. Robotnik goes to comfort her, whispering "It's okay now. We'll get through this, go back stage and try to calm down." Amy gets up and walks backstage. Robotnik rests back in his seat.[br]

[br]

Robotnik: Well, maybe we should see what kind of a man this Shadow is. Here's a video clip he sent in with his words.[br]

[br]

Shadow appears on screen with multiple different clips from different angles all in black and white[br]

[br]

Shadow (On TV): I don't know what Amy thinks she's doing here, bringing her trashy self on television just to humiliate herself in front of the world. Does she think bringing me out here will change me? I don't think so! This is my life and she IS MY PROPERTY! I'll slap her around if that's what it takes to teach her a lesson. And, Doctor, don't think you can stop me either![br]

[br]

Robotnik: \*Serious look about him. He nods\* Alright, so he's Billy Bad @\$\$, eh? Well, we'll just see about that.[br]

[br]

Robotnik stands and easily lifts the chairs from their feet with one hand and lightly tosses them on the floor. He walks to the center of the stage.[br]

[br]

Robotnik: Alright, Shadow, let's see what kind of man you really are![br]

[br]

Shadow steps out from the back and is greeted by roaring boos. Shadow gives them the cold shoulder.[br]

[br]

Robotnik: So, how's it going Mister Bad @\$\$?[br]

[br]

Shadow: \*Chuckling\* Pretty good, until I had to come out here to see your fat @\$\$.[br]

[br]

Robotnik: Hmmm .... So, you're not afraid to say anything, are you?[br]

[br]

Shadow: Hell no! Why should I be scared? I mean all you are is a Wannabe Steve Wilko, who, instead of muscle, has a belly the size of Shamoo![br]

[br]

The good doctor stood still, a slight smile and a nod.[br]

[br]

Robotnik: Shadow, do you know why you are out here today?[br]

[br]

Shadow: Of course, you dumb frack! I sent a video in! Amy thinks she can change me by parading me in front of the whole world on some talk show![br]

[br]

Robotnik: I don't believe that's particularly true. I believe that there's a strong possibility that Amy brought you out here so I could put an end to your abuse towards her.[br]

[br]

Shadow: Isn't that what I just said? She brought me out here so you could change me![br]

[br]

Robotnik: I didn't say that. I said so I could put a stop to your abuse. By that I mean getting her away from you![br]

[br]

Shadow stopped, his eyes pierced at Robotnik with rage. [br]

You better not take my dog away from me! frack that! She won't leave me ... I'll kill her![br]

[br]

Robotnik: You won't get the chance.[br]

[br]

Shadow: The hell I won't! And I know full well she won't leave me! She loves me because I don't take crap and she knows full well I won't take her bullshoot![br]

[br]

Robotnik: Oh? Well, let's see how much she really loves you. \*He put the mike up to his lips\* Amy Rose, please come out.[br]

[br]

Amy stepped out from backstage, the audience cheers at her courage. She stood and gazed at Shadow, a thousand thoughts played tug-of-war with her mind.[br]

[br]

Robotnik: Amy, you're almost at the finishing line. We need to get some things settled with Shadow first, okay?[br]

[br]

Amy nodded.[br]

[br]

Robotnik: Amy, did you love Shadow when you first got together?[br]

[br]

Amy: Yes, I did.[br]

[br]

Robotnik: Did you love Shadow when he first beat you?[br]

[br]

Amy: Yes ...[br]

[br]

Robotnik: Do you love Shadow now?[br]

[br]

Amy: \*She put her head down\* ... No, not any more.[br]

[br]

Shadow gasped.[br]

[br]

Shadow: What?![br]

[br]

Amy: Look, Shadow. I can't take your abuse anymore![br]

[br]

Shadow: Abuse? Baby I though you liked that! Look, baby, I'm sorry. I'll never hit you again I swear. I can change! I'm a new, man. I'll never lay these hands on you in aggression ever again. We can be

happy! Look baby, I'll get a better job and a bigger house and we can raise a family! You and I! What do you say?[br]

[br]

Amy stopped and looked at the floor. The idea played with her mind. She looked and shook her head.[br]

[br]

Amy: No! I can't keep doing this, Shadow! You keep saying the same thing every time I'm about to leave you. I'm sick of it! I didn't have anybody in my corner, but now I have Ivo Robotnik! We're through, Shadow, we're through![br]

[br]

Shadow: So, you'd rather listen to some fat talk-show host, rather than a real man, like me![br]

[br]

Robotnik: \*Steps in with eyes wide and anger in his soul\* A REAL MAN wouldn't lay his hands on a woman! A REAL MAN would try to make his lady happy! A REAL MAN would sacrifice what he could for his woman! A REAL MAN would fight for his woman! A REAL MAN would try to make his woman laugh! A REAL MAN would try to be A REAL MAN! You, Shadow, are not a REAL MAN![br]

[br]

Shadow stopped and looked to the side. He shook his head and turned back. He sized up Robotnik and threw a fierce punch to his gut. Robotnik jumped, but that was it. Robotnik back-handed the male hedgehog and kicked him like Leonidas. Shadow fell to the ground.[br]

[br]

Robotnik: Security! Take this waste off my stage![br]

[br]

Vector and Omega ran in from backstage and drug an unconscious Shadow off into the left backstage door.[br]

[br]

Audience: PIIIIINGAS! PIIIIINGAS! PIIIIINGAS![br]

[br]

Robotnk: Well, this is it, Amy. You got so far. Now it all depends on which door you choose. Will you choose the left and rejoin your abusive boyfriend? Or will you choose the right and start your new life?[br]

[br]

Amy stood like stone, she looked to the left, it did seem to call her; and she looked to the right, it sung for her; two doors and one decision. Amy took a step for the left, she stopped herself, "No!" she said, "No more!" She turned and marched to the right and entered the Door of a New Life.[br]

[br]

-----Ending-----[br]

[br]

Robotnik smiled and put the mike up to his lips.[br]

[br]

Robotnik: Another one saved from their abusive significant other. In the next show we will take a look on how she and her ex is doing without one another.
