It's a list of poems I came up with. Some don't rhyme, but who ever said poems had to?

Chapter 1 - Just Another Shadow

1 - Just Another Shadow

Just another shadow,
awake at day, hidden at night,
goes where I go,
breathes like I breathe,
falls when I fall,
always by my side.

The only thing,
I have,
that my shadow doesn't
is pain.
Emotions.
Feelings.
Tears.

And during the day,
when I need a friend,
My shadow is there.
But at night,
The moon is awake,
But my shadow is gone.
Dead.
Hidden.
Just another faint memory.

Just another shadow.
