Herriman said "Uh that furball is moving!"

Bloo said "Hey I wondered what happened to my fuzzy Tomato lifelike plush

Herriman said "I thought it was a real tomato crossed with a peach so I ate it Looks like it did not agree with me."

Frankie and Mr. H say "lets never speak of this again agreed?"

That okay with you Bloo?" "Speak of what now"

Bloo said. "That's good Bloo " Herriman said. He went on to say "forget all about this dreadful incident. "

"Seriously what are you talking about I don't know anything about nothing now?"

"Lucky rabbit he gets everything!" "Show me a sign something will come my way" The Fuzzy tomato falls on Bloo's head.

"Oh they are making out and making love."

"What are you nuts? Those two hate each other!"

"Come on Wilt don't be so dense they always act so nervous around each other, they are so in love."

"Okay if you say so." Then In his mind he thought "that's crazy I'll go check in his bedroom just to prove bloo wrong!"

He looks in Herriman's room and sees the rabbit and redhead asleep with their arms around each other.

"Okay Guess Bloo was right guess there's a second time for everything.

It's about time those two got together.

I thought something was up with those two who knew?

I mean stranger things have happened.

I can't think of anything stranger except for cheese Goo , Bloo, Cheese and everybody

Mussing up the day and the house.

Wilt closes the door then Herriman And Frankie Wake up and he asks Frankie to marry him and she accepts.

they were now engaged, in love, and got married two months later.

They had two bunny human hybrids together,

so the new big cheese is a Rabbit cause he finally got his Redhead
