Big Cheese's Slip Of The Lip May Get Him Some Of Polly's Lip Service

Big Cheese would Find out that the Ninja Crows and The Pizza Cats were on vacation at the same hotel in an embarrassing way.

And Here's what Happened.

He walked into Polly's room by accident.

She blushed and thought Eeep It's Big Cheese why did it have to be him, her secret crush.

And here she was in a nighty with him gawking at her.

Wait did him looking at her mean he liked her.

He thought Eeep It's Polly has he gawked at her, then he blushed has he covered his eyes with one hand.

I must be in the wrong room and why did it have to be his crush?

and why did she have to be in a nighty? It made him want her more.

She said still blushing "Er I'm gonna be getting undressed to get dressed in here"

He was still blushing and said by accident "Can i watch?"

Polly yelped "What?!"

He went "I mean Er oops."

He realized it was to late now he was in for a butt whooping or so he thought.

She said "You want to watch me undress?"

"UM" He said and blushed beat red.

"I'll take that as a yes."

He thought was she really gonna undress in front of him no strings attached?

"Well" she purred "I'll undress if you will Big Cheese."

"HUH?!" he said and he blushed as red as he could blush.

Then before he could give any normal response.

His lips felt hers pressed against his.

And her body was pressed against his body plus her nighty was now off.

So he took this as a sign for him to undress so he did just that.

Now they were in her bed making love.

The other Cats and Bad Bird And Jerry Atric were looking for their missing teammates.

They each accused the others of kidnapping.

That is when they heard moaning noises coming from Polly's hotel room.

They all burst open through the door and stood their in shock at the sight before them of A Fox and a Kitty making love.

The others "went What the heck!"

That caused Them both to blush and cover up.

They then explained to the others what had happened and how they both felt about each other.

So the rest were a bit dumbfounded but let them be.

And Big Cheese and Polly continued with their lovemaking.

The others said when they were away "Big Cheese and Polly who knew?"

They would eventually get married.

But for now they were just lovers and former enemies on vacation.
