0 - RP site

Hello! Thanks for reading this. But anyways, I have gone out of my way and made a Charmed RP site. Called Charmed Chronicles.

Well, I was wondering if anyone would like to join.

More than the basics have been set up. Right now I'm going to ask out friend, Tuxedo_Mini_Mask aka Leo, if he can help me with the skin and cbox, like he did for his site:

Thanks so much!
