Chapter 1 - Killer Inside

2

1 - Killer Inside

The killer inside

If I try to escape

It chases me further

Until I'm hiding in the deepest cavity

Of my dark and cloudy brain

It runs me down

Till I have nowhere to go

It binds me, tortures me

Slowly it kills me

No matter how hard I try

I can't elude it

Not even if I

Take it off my mind

The thoughts haunt

Even my quietest dream

Until it's made into

A bone chilling nightmare

Internal bruising

Starts to show

Even if I act

As if there's nothing there

It's all because of you

You are chasing me

You are torturing and killing me

All because you don't notice I'm there

And if tomorrow

You were to die

The world as I know it

Wouldn't stop at an instant

Because though you would be

Gone from my life in person

Your memory would only

Bind torture and kill me more
